## WATER INTO "WHINE"

I am reflecting on all the years gone by from the first people who fought and died for our freedom to the ones today who gave it away in the last election for a spirit of antichrist. Yes, Antichrist came in without weapons of mass destruction save one smooth tongue of deception and the church not only allowed it but said, "Come on in, Brother" and "What's in it for me?"

The church was far from impotent; it deliberately sold its freedom for some pottage **as Esau, who for one morsel of meat sold his birthright. For ye know how that afterward, when he would have inherited the blessing, he was rejected: for he found no place of repentance, though he sought it carefully with tears.**

God gave me two words when I sought Him for the New Year:

1. The church has turned my water into "whine".
2. The hallowed church has become hollowed.

This was a very serious charge against the church and I asked God for the remedy to which the only reply to come was to get the "H" out. I could not

have had a clearer message and one that needed no explanation. The churches' water has turned to "whine" as Jesus foresaw when He asked this question: **"...when the Son of man cometh, shall he find faith on the earth?" Luke 18:8.** If we want to be like Jesus turning water into wine then we need to get the "H" out of there and keep it out.

My news is not the Good News you would like to hear because the churches' "whine" has gotten the best of her, and in her drunken stupor she awakened to find that she had fallen into bed with the world facing the hangover that awaits. Hypocrites will be paid in full for their hypocrisies. Watch out for them as they shout victory in the hymns they sing at church on Sundays, which ferments into "whine" Monday through Saturday in testimonials of "gloom, despair and agony on me" on the streets to anyone who will listen. You are either hallowed or hollowed. Gloom, despair and agony is not an overcoming testimony but praise to Satan's ears over his victory! Camouflage is no longer the accepted dress code for Christianity. There is no disguise for Christians to hide behind or blend into the scenery.

2013 came and shed light on

the fact that the church is a hollow institution in which exhibiting faith is not a prerequisite to anything of value. Faith has been exchanged for attendance without necessarily giving attention to the Word of God.

Here is a little test for you. If it has not taken anymore effort in being a Christian than getting ready for church Sunday mornings then you probably aren't one. Being a Christian in the days ahead will be the most difficult thing you have ever done **not** because God is so difficult but because the world has no place for you. You will have to stop feeding convenience for a stand. You will have to become your children's least liked soul by making the right decisions rather than giving in to their addiction of the world and being like everyone else. You will have to join an army which, by all appearances, looks like the losing side! Throw popularity out the window because you will be on the side of the radically unlikely. Not only will the world not accept you but the church will reject you as well. You will be the fault given for every catastrophe on its way! Through all this, you will have to stand and face the spit and guile thrust at you with courage, valor and integrity. With a sales pitch like that is it any won-

der that God Himself took it and died willingly for the lot of us?

Have I left you without hope for the New Year? On the contrary, the only hope you and I have is the same hope as always...that one day we will hear: **Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord. Matt 25:23**

It is strange that everyone thought nothing happened as was predicted for 2012. This is far from true, for we did see the end of an era in which America was a great nation only to see her demise. When Christians do not regard the water of the Word then whine is what follows.

There is also another thing to consider. One day, just as in the days of Noah, the door to the ark of safety will shut and a change of heart will count no more.

## ANYONE OUT THERE?

The Associated Press as well as USA Today reported NASA's find back in 2011, the discovery of an Earth-like planet outside the solar system whose size and distance from its own star put it in the "habitable" zone with a surface temperature perhaps averaging a balmy 72 degrees. If you are like me you get your **real** news from the Word of God.

I am convinced that there is nothing out there, whether a never before discovered planet or a "being" from another world that is not already explained in the Bible. Notice this Scripture: **1 Cor 15:40 There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another.**

1 Corinthians 15:39-41 talks about the different forms of flesh created by God as well as celestial bodies or planets and terrestrial planets. There are celestial planets and terrestrial planets...plural. What is the difference? We know that the sun, moon and stars are for seasons, but also for signs Lu 21:25. Each serve a purpose in the heavens. Terrestrial planets, which are called earthy are habitations which supply its inhabitants with the right oxygen to breathe, water and vegetation to sustain life. A terrestrial planet is a life supporter not necessarily human form but life of some form. The Hebrew word for terrestrial is *earthly*, *earth*, *in earth* and of course **bodies** indicates more than one.

There is more than one life supporting planet. As of now science has only the technology to view a small amount in a vast universe. As our technology grows so does our universe. The Bible, as I said, is well equipped for our discoveries. After all, Isaiah wrote that the earth was a sphere (Is 40:22) having neither the technology nor did he travel around the world. About 300 years ago we discovered that air had weight even though it was written in Job 28:25.

In 1616, William Harvey discovered that blood circulation is the key to physical life, yet 3000 years prior it was written in Lev 17:11.

Cave men and their paintings thought to be primal, Neanderthal man or a missing link were in fact the scattered people of Babel living and drawing their stories in caves: Job 30:5-6.

Then there are the plethora of accounts of Alien beings from other planets seen in vehicles high in the sky as circular spheres of light enfolded in clouds, which again is no secret to the Scriptures when we read Ezekiel 1.

This is one subject I think crucial to write because the church has not dealt with the subject, of "visitors" which means Christians could be in for a rude awakening steering them from their faith. Yet, this is neither a surprise to the Scriptures nor is it a secret that we have been invaded as we read in Gen 6.

We are not alone in the universe. Here is a riddle for you: What do "angels", "fallen angels", "demons", "host of the heavens", "stars", "watchers", "sons of the gods", the "nephilim", "seraphim", "cherubim", and "ophanim" etc. have in common? They are all mentioned in the Bible as an alien presence either physical or ethereal. This type of alien presence means something not from or originating on this earth. They appeared throughout the Bible and not one of them was shot at or shot down as an alien invader. Not one was put in an "Area 51" and hidden away or denied as if a figment of the imagination. This so-called alien presence, in whatever form, was written about affirming their existence in the Scriptures.

Genesis 6 tells about creatures from the heavens descending upon the earth and breeding with humans on earth. They are described as giants or the Hebrew word Nephilim, which had physical bodies that could procreate. We know that these could not be

ethereal, spiritual angels because ethereal angels do not procreate Matt 22:30; neither can they be sons of God as KJV has miss translated because Jesus said that the Father never called an angel son Heb 1: 3-5. Jesus declares that He is the first Son and all who believe on Him gave Him the power to be sons John 1:14; 1:12; Rom 8:14,17.

**Sons of God** in Genesis 6 should more accurately read: *sons of the gods* meaning those who descended from the heavens. In Gen 6 the only description is that they were giants, but we know that they were out of their destination and left their first estate to chase and attain that which was forbidden them such as breeding with and teaching humans on this earth all manner of evil.

Their appearance is written further in the annals of history by Flavius Josephus the Jewish historian who writes: "For which reason they [Israel] removed their camp to Hebron; and when they had taken it, they slew all the inhabitants. There were still then left the race of giants/Nephilim, who had bodies so large, and countenances so entirely different from other men, that they were surprising to the sight, and terrible to the hearing. The bones of these men are still shown to this very day, unlike to any credible relations of other men. Now they gave this city to the Levites as an extraordinary reward..."

Josephus gives a great picture of these Nephilim/giants that do not resemble humankind but also reveals that these giants had physical bodies with bones. Ethereal angels from God's third heaven do not leave bones behind...being spirit only. Yet there are messengers from God in either an ethereal or physical presence. Jesus was the heavenly Son who came in an earthly package to bring salvation. Jesus was the greatest of visitors to grace our planet. Satan whose residence is in the second heaven has won over 1/3 of God's creation in smooth campaign speeches much like the one given to Eve in

the garden. Of course 1/3 of the vote may be large but it cannot beat God's Kingdom.

Our dilemma would then be knowing from which kingdom they come. **1 Cor 6:3 Know ye not that we shall judge angels?** Why would we judge an angel of God except to know whether they be of God or Satan. You see the old dragon has angels too not necessarily all ethereal Rev 12:7-9. When the dragon and his angels are cast down to earth. Will this appear like an alien invasion? [This is just a question.]

You see, Goliath is about the only giant that comes to mind, but remember Nephilim had become part human through crossbreeding. Here is a refresher course in the remnant of part Nephilim/part human offspring in the Bible:

**Gen 14:5 And in the fourteenth year came Chedorlaomer, and the kings that were with him, and smote the Rephaim giants in Ashteroth Karnaim, and the Zuzim giants in Ham, and the Emim giants in Shaveh Kiriathaim.**

We see the remnant of Nephilim again throughout time in Scriptures called by many different names such as Raphaim giants or Emims, Anakims or Zamzummims etc.:

Deut 2:10-11 **The Emims dwelt therein in times past, a people great, and many, and tall, as the Anakims; Which also were accounted giants, as the Anakims; but the Moabites call them Emims.**

**Emims:** עַמִּימִים giants, terrors who made up the early Canaanitish or Moabitish.

Deut 2:20-21 **That also was accounted a land of giants: giants dwelt therein in old time; and the Ammonites call them Zamzummims; A people great, and many, and tall, as the Anakims; but they were destroyed before them; and they succeeded them, and dwelt in their stead:**

**Zamzummims:** זַמְזֻמִּים plotters the Ammonite name for the people who by others were called Rephaim, and were described as a numerous nation of giants; perhaps the same as 'Zuzim'

## ANYONE OUT THERE? Continued from p. 2

**Deut 3:11-13** For only Og king of Bashan remained of the remnant of giants; behold, his bedstead was a bedstead of iron; is it not in Rabbath of the children of Ammon? nine cubits was the length thereof, and four cubits the breadth of it, after the cubit of a man. And this land, which we possessed at that time, from Aroer, which is by the river Arnon, and half mount Gilead, and the cities thereof, gave I unto the Reubenites and to the Gadites. And the rest of Gilead, and all Bashan, being the kingdom of Og, gave I unto the half tribe of Manasseh; all the region of Argob, with all Bashan, which was called the **land of giants**.

**Josh 13:12** All the kingdom of Og in Bashan, which reigned in Ashtaroth and in Edrei, who remained of the **remnant of the giants**: for **these did Moses smite, and cast them out**.

**Josh 15:8** And the border went up by the valley of the son of Hinnom unto the south side of the **Jebusite**; the same is Jerusalem: and the border went up to the top of the mountain that lieth before the valley of Hinnom westward, which is at the end of the **valley of the giants** northward:

**Josh 17:15** And Joshua answered them, If thou be a great people, then get thee up to the wood country, and cut down for thyself there in the land of the **Perizzites and of the giants**, if mount Ephraim be too narrow for thee.

**Josh 18:16** And the border came down to the end of the mountain that lieth before the valley of the son of Hinnom, and which is in the **valley of the giants** on the north, and descended to the valley of Hinnom, to the side of Jebusi on the south, and descended to En-rogel,

The earth fought against the giants who descended from the stars. They fought from heaven; the **stars** in their courses fought against Sisera.

Judg 5:20 [Stars: celestial princes]

**2 Sam 21:15-22** Moreover the Philistines had yet war again with Israel; and David went down, and his servants with him, and fought against the Philistines: and David waxed faint. And **Ishbi-benob, which was of the sons of the giant**, the weight of whose spear weighed three hundred shekels of brass in weight, he being girded with a new sword, thought to have slain David. But Abishai the son of Zeruiah succoured him, and smote the Philistine, and killed him. Then the men of David sware unto him, saying, Thou shalt go no more out with us to battle, that thou quench not the light of Israel. And it came to pass after this, that there was again a battle with the Philistines at Gob: then **Sibbechai the Hushathite slew Saph, which was of the sons of the giant**. And there was again a battle in Gob with the Philistines, where **Elhanan the son of Jaare-oregim, a Bethlehemite, slew the brother of Goliath the Gittite**, the staff of whose spear was like a weaver's beam. And there was yet a battle in Gath, where **was a man of great stature, that had on every hand six fingers, and on every foot six toes, four and twenty in number; and he also was born to the giant**. And when he defied Israel, Jonathan the son of Shimea the brother of David slew him. **These four were born to the giant in Gath, and fell by the hand of David, and by the hand of his servants**.

Anak was more than one giant; it was an entire race through his sons, (Josh 15:14) Sheshai, Ahiman and Talmi. Through these Anakim we also find their seed in the Canaanites, Amalekites, Hittites, Jebusites, Amorites, Emites, Horites, Perizzites, Hivites, Gergashites, Maachathites, Philistines and the kingdom of Og:

Num 13:27-29, 33 And they [Joshua and Caleb] told him [Moses], and said, We came unto the land whither thou sentest us, and surely it floweth with milk and honey; and this is the fruit of it. Nevertheless the people be strong that dwell in the land, and the cities are walled, and very great: and moreover **we saw the children of Anak there. The Amalekites dwell in the land of the south: and the Hittites, and the Jebusites, and the**

**Amorites, dwell in the mountains: and the Canaanites dwell by the sea, and by the coast of Jordan...And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight.**

The problem with all of these tainted seed of Nephilim and man we see in Judg 3:5-6 *And the children of Israel dwelt among the Canaanites, Hittites, and Amorites, and Perizzites, and Hivites, and Jebusites: And they took their daughters to be their wives, and gave their daughters to their sons, and served their gods.*

Here are two more Scriptures that prove that life is on more than one planet in the word **host** which in Hebrew is *tsaba'*: a mass of persons:

**Gen 2:1** Thus the heavens and the earth were finished, and all the host [*tsaba'*: a mass of persons] of them.

**Isa 45:12** I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, **and all their host [*tsaba'*: a mass of persons]**.

There is a host of our earth and other earth-like planets in the heavens. So, you see the effects of what we read from the Genesis 6 account through the generations of ridding the earth of these aliens who descended to rape this earth of her goods. How many other terrestrial planets have been raped by them? You see I have many questions still unanswered, but this is not due to a lack of Biblical documentation but my lack in finding it yet. That being said, have you discovered any revelation from just what I have written thus far? Did you realize all of this information until I put it together for you to see capsulated? Trust me, this is not sci-fi coming to you but the Word of God.

We have evidence of what these visitors built in days of old without today's technology, for they stand as monuments declaring their expertise and abilities not known to mankind on earth at that time. This was why they were worshiped as sons of the gods. **Mark 13:1-2** **And as he went out of the temple, one of his disciples saith unto him, Master, see what manner of stones and what buildings are here!** Jesus remarked that not one of those stones, as grand and amazing as they were, would be able to stand against His Word. He of course was talking about His resurrection not only over sin but over any and all false teachings, idolatries or worshipping the builders of the stones.

My writing this does not change our salvation but secures it. Only ignorance causes apostasy of faith. Would your faith be challenged if our government acknowledged the information that they have refused to disclose of visitors from other earths? You can think of me as way out weird, but God must have needed someone like me to write these things. I do not write these things to scare or entertain you with sci-fi stories. I want you to be aware of valid information in the course that it is something your faith will have to wrap around in the future. This was the very event that brought about the flood of Noah's day, which is not only history but also future if we remember that Jesus' coming will be **as in the days of Noah**. What does that mean? That simply means be aware of our history and the Word of God to secure your faith in the future. Whether you can grasp this information now or not, tuck it away and if the occasion arises that your faith is tested by: (Luke 21:11b) **fearful sights and great signs shall there be from heaven** remember God is still upon the throne and do not let the Word of God fall away from your heart.

### UNITED NATIONS: AGENDA 21

Are you aware of a United Nations plan for a global one world government? The title of this plan is Agenda 21, which basically calls for a “sustainable development”. What is hidden under that term **sustainable development**? Another term used for this same agenda is “Smart Growth”. It is re-distribution of land and boundaries, which would affect the voting landscape as well as changing private property ownership. Here are some of the language points:

- \* Rezoning of thousands of acres of beautiful, low-density agricultural farmland and protected residential conservation land into office parks
- \* Down-zoning of agriculture land to prevent future subdivision by farmers
- \* Up-zoning of low-density residential land around small towns into higher density zoning to permit construction of hundreds or possibly thousands of inclusive housing units, including apartments and condominiums
- \* Inclusive housing with placement of multi-family construction on in-fill lots within existing residential single family communities
- \* Endorsement of government-sponsored housing initiatives (subsidies) to ensure healthier, balanced neighborhoods

Smart growth is a marriage wherein the zoning code is united with government-sponsored housing initiatives to accomplish government's goal of social re-engineering. It urbanizes rural towns with high-density development, and gerrymanders

population centers through the use of housing initiatives that enable people with weak patterns of personal financial responsibility to acquire homes in higher-income areas.

Smart growth plans usurp property rights and constitutional rights. Local officials, at the request of State Government, revise zoning laws to fit into a "smart code" zoning template. A massive reshuffling of property rights ensues. Farmers may lose subdivision rights; conservation land adjacent to population centers may be re-zoned into commercial employment centers; and low-density land in small towns is re-designated as growth area and re-zoned to accommodate diverse housing including high-density apartments and condominiums of crowded people living upon people.

Sustainable development is the philosophy designed to bring human beings across the world globe under the control of a narrow group of elite. It is basically a 40 chapter document to world control based entirely on socialist control mechanisms. Its goal is to end what is unsustainable and in doing so would:

- End national sovereignty
- Abolish private property
- Restructure the family unit
- Limit and restrict individual mobility and opportunities
- Jobs assigned and children cared for by the state

People would be concentrated into human settlement

zones with the focus of education on environment and mother earth and green goals listing what is no longer sustainable.

Bill Clinton established a President's Council June 29, 1993, executive order 12852, on sustainable development without a congressional review. Congress was also silent when Obama Passed His UN Treaty-- Executive Order 13547 -- “By the authority vested in me as President by the Constitution and the laws of the United States of America, it is here by ordered as follows: Section I. Purpose. The ocean, our coasts, and the Great Lakes...America's stewardship of the ocean, our coasts, and the Great Lakes is intrinsically linked to **environmental sustainability**, human health and well-being, national prosperity, adaptation to **climate and other environmental changes**, social justice, international diplomacy, and national and homeland security.

This has been an ongoing project with a simulated map of what is considered sustainable, which I copied on page 5 for you to view. How can an elite group possibly enact such a plan? You have to steal a generation of children and indoctrinate them into ideas that fit their purpose. The first thing has been done in the public schools across this nation to move this plan along by getting rid of prayer, the Ten Commandments, the Bible and God in exchange for situation ethics, values clarification and evolution. Brain-

wash them by indoctrination of what is unsustainable. Train the children in the way they are to think and go and in the end they will subscribe to the cause. Even the Bible tells us that principle: **Prov 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.**

*“The goal according to the United Nations Decade of Education for Sustainable Development (2005-2014 DESD), for which UNESCO is the lead agency, is to integrate the principles, values, and practices of sustainable development into all aspects of education and learning. This educational effort will encourage changes in behavior that will create a more sustainable future in terms of environmental integrity, economic viability, and a just society for present and future generations.”*

That is your federal national curriculum! Under constructivism in the teachers guide *“Students construct [their own] understandings of reality, and [realize] that objective reality is not knowable (p. 10).”* New math called Connected Math teaches that mathematics is reasoning through discussing the problems and their solutions. The students are learning to reason about the mathematics. They learn that mathematics is man-made, that it is arbitrary, and good solutions are arrived at by consensus among those who are expert. Education for sustainable development believes:

## Simulated Reserve and Corridor System to Protect Biodiversity As Required by the UN Covention on Biological Diversity, Wildlands Project, UN and US Man and Biosphere Programs and World Heritage Program as a Vital Step in Attaining Sustainable Development

### UNITED NATIONS: AGENDA 21 [Continued]

"Generally, more highly educated people, who have higher incomes, consume more resources than poorly educated people, who tend to have lower incomes. In this case, more education increases the threat to sustainability."

**This proves that the "dumbing down" of students is not simply from bad ideas but deliberate.**

Christian parents are unaware of what their children are being taught. Parents pack their kids off for seven hours of training. Kids come home to homework and television or video games. Do they have Bible stories read to them? Do they pray as a family? Most Christian homes get a

failing grade because they have no Christian devotional time and no strength to combat what their children are being taught in school.

Why do you suppose liberals fight so hard against the voucher system so your children would be compensated to go to private Christian schools. Instead they make it easier and more affordable to get a public education in order to win a generation to their goals.

This is not a conspiracy theory of mine. It is being implemented now. I did not make up executive order 13547. Anyone can look it up and

check it out.

If you do not think we are ever closer to the one world government described in Revelation...think again. You know everyone likes the peace and safety reports, but God's Word says: *1 Thess 5:3-6 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye, brethren, are not in darkness, that that day should overtake you as a thief. Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness. Therefore let us not sleep,*

**as do others; but let us watch and be sober.**

This paper is rightly called Trumpet Sounds. The trumpet is to the lips. Do you hear it?

These are not the days to lose yourself in the fantasy of television and vain entertainment day after day neglecting prayer and seeking answers from God on the direction He has for your life. The Holy Spirit of God was sent to earth to comfort and teach God's children. Spend time praying in the spirit or just being still and have an ear to hear what the Spirit is saying.
