ORIGIN'S CLAIM

We know that God created everything in its unique sphere of origin. If you go back into Genesis 1 and 2 you see creation's origin, for example: God called light out of the atmosphere and the atmosphere responded, while vegetation and land animals He called out of the earth and the earth responded. He called the waters to bring forth the water creatures, the heavens to bring forth fowl of the air and both sea and heavens responded.

For man, however, God looked inside Himself as the Triune Godhead saying, "Let us make man in our image," hence man became a spirit with his origin from within God first and sec-

ondly a container formed of dust. Man is therefore of dust and spirit. The soul and body make an immediate connection, while the spirit of man connects with the Spirit of God as he begins to seek God's Kingdom and righteousness.

Subsequently, mankind has his spirit side and his dusty side. The gravity from the earth desires to keep man grounded to the dust, thinking dusty thoughts confined to the natural realm, while man's spirit has a desire to create and go beyond what the natural senses dictate to discover his destiny appointed by God: *I Cor 15:47-49 The first man is of the earth, earthy: the second man is the Lord*

from heaven. 48 As is the earthy, such are THEY also that are earthy: and as is the heavenly, such are THEY also that are heavenly. 49 And as we have borne the image of the earthy, we shall also bear the image of the heavenly. Do you see that this goes beyond Adam and Jesus in verse 47 to "THEY" in verse 48-49, which refers to you and me?

Spirit and dust both reap from the order of the origin given dominance. If a man gives dominance by living a more dusty (worldly) life, the dust of the earth responds. We also remember that Satan is the prince of this world confined to eat dust: *Gen 3:14 And the*

LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:

When man lives a dusty life, Satan is devouring his goods, blessings, abundance and eventually him...dust to dust. Whether as the serpent, dragon or lion the enemy roams about drawn to those dusty moments like a shark to blood in order to devour.

ISIS or ISIL?

Have you noticed the manner in which the Obama administration refers to ISIS as ISIL (Islamic State in Iraq and the Levant). We should all be referring to this savage and barbaric group as ISIS (Islamic State in Iraq and Syria). The Levant includes Israel. If you choose to refer to this group as ISIL, you have basically rewritten the map of the Middle East and

fallen into the trap of not recognizing the existence of Israel and also Lebanon. The use of ISIL is then validating the Islamic totalitarian and jihadist claim that the modern day Jewish State of Israel is an occupation state and does not exist in the eyes of Muslims. We cannot allow this group to reestablish some 7th century regional caliphate and therefore must

fight to reestablish sovereignty. It should be a concern to all of us that the Obama administration seems to be embracing the ISIL terminology, which reflects their dismissal of our best ally in the Middle East, Israel.

Israel is well aware of this as are the Muslims, so I thought my readers should know this is no little slip of the tongue!

FERVENT PRAYER

James 5:15-16 *And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.*

What does it mean to be effectually fervent? It is the word *energeo*: to be active, efficient: - do, (be) effectual (fervent), be mighty in, show forth self, work (effectually in). This is not for the slothful or the “too busy” people but for the available who are able to avail. Being available is being able to be gotten: able to be used, obtained, or

relied on. These are the people that un-clutter themselves of self, convenience or time constraints. In other words, they are those who decrease of self to increase in Him and His needs.

People do not understand the work ethics of prayer. It is more than a petition of desired outcomes, but yielding all imagined ideologies to reach the Truth of God’s heart wherein holds the only solution.

You may still not get it unless I put it this way: You are at a baseball game and the game has gone back and forth in a close tie and extra innings. You have been sitting on the edge of your seat wringing your hands with the adrenalin coursing through

your veins. The bases are loaded and you are one point away from victory, when up to bat comes the weakest hitter who has struck out all night. Silently you implore him to keep his eye on that ball and swing with all his might. You go further to pep talk the batter saying things like, “You can do this. YOU CAN DO THIS! Come on, Baby, get this job done!” You are not thinking of your next meal or what your children are up to at home or how you will come up with property taxes in that moment. You are riveted on that play in that moment and all else vanishes. That is being effectually fervent with your whole being alert and in action no longer on the side-

lines but IN THE GAME. If we could be an effectually fervent fan could we not also for saving our nation?

For all that God has done to heal and deliver us...well, hear it from Him and fill your own name in the blank:

Matt 26:40-41 _____, *What, could ye not watch with me one hour? Watch and pray, that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak.*

Whether you feel yourself as the weakest hitter, YOU can do this! Let’s get this job done and we can all go home!

ORIGIN’S CLAIM *Continued*

God wants us to shake off the dust and allow the spirit to soar in spiritual heights defying the laws of gravity that situations initiate. In any given situation our response will be dusty drawing Satan’s attention or righteously led by the Spirit. We have all lived the dusty life and most of us have lived in both meaning we repent often, but few have learned to walk in the spirit. I know it is possible since the Bible tells me so.

You cannot travel a dusty road without coming away dirty, tired and in desperate need to be washed clean. There is not one creature that does not want to come clean once the deluded ecstasy of a brief moment is over and the prolonged accusation is rehearsed as the

serpent talks with a mouthful of our destiny. But there is another road...a highway: **Isa 35:8-10** *And an highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein. 9 No lion shall be there, nor any ravenous beast shall go up thereon, it shall not be found there; but the redeemed shall walk there: 10 And the ransomed of the LORD shall return, and come to Zion with songs and everlasting joy upon their heads: they shall obtain joy and gladness, and sorrow and sighing shall flee away.*

The wayfaring men: The Hebrew equivalence refers to God, the Redeemer, who will be with His people, walking in the way with them. **Though fools:** *1 Cor 1:27 But God hath chosen the foolish things of the world to confound the wise; etc.*

Jesus is the dust buster that cleanses us from all our dusty moments and sets our feet upon the right highway. Do not allow the enemy to deceive you into thinking you are on the right road when what you hear, think, react and speak comes from the dust.

You will never be able to hide the dust forever from those around you, for they will notice the dust you have left behind for them to clean up!

Judge the moment in which you find yourself. Both origin of dust and spirit are calling and this time it is our turn to respond. One leads to condemnation and the other to destiny, but either will be an eternal choice that can only be chosen now. Later is too late. **Rom 8:1** *There is therefore now no condemnation to them which are in Christ Jesus, WHO walk not after the flesh (dust), but after the Spirit.*

LION AND LAMB

I do not have to tell you that we are each made to be different since it is obvious as we look around. God's Word says it: **1 Cor 12:18** *But now hath God set the members every one of them in the body, as it hath pleased him.*

Even though all can agree to our differences and uniqueness's, we often do not take advantage of those well placed gifts but make divisions instead. A ministry whose heart is given to exhortation might not embrace the ministry whose voice is the trumpet of warning. It is just as likely for the trumpet of warning not to embrace the encouragement of the exhorter, yet both are

I AM; ARE YOU?

I AM that I AM changes **it is what it is!** So what is it? **IT** can be anything we see as unchangeable as we throw up our hands and think: "It is what it is." We see the impossible as an "amen and so be it". **I AM** trumps "it is" conforming the invisible to visible, rejected to accepted and the impossible to possible.

I am amazed at the power of the church laying in the cobwebs of a dormant attic. **I AM** and **I CAN** have been removed from our vocabulary. Satan has worn out the believers from believing as they cross their fingers and knock wood in hopes of their desires.

I do not want to believe; **I AM** believing! I do not want to be healed; **I AM** healed! I do not want to stand; **I AM** standing. What I want to do is what I

valued equally. We need all the members working together.

1 Cor 12:15-16 *If the foot shall say, Because I am not the hand, I am not of the body; is it therefore not of the body? And if the ear shall say, Because I am not the eye, I am not of the body; is it therefore not of the body? But it is just as accurate to say **If the foot shall say, Because the hand is not a foot, it is not of the body or if the ear shall say, Because you are an eye and not an ear, you are not of the body.** Either way is erroneous thinking.*

Glenn Beck is not a Joel Osteen nor Joel Osteen a Glenn

AM doing.

Since it has been over 2000 years since Jesus bequeathed us His power and authority, many think the Jesus battery has surely worn out to a weak spark at best. Yet Jesus is not a battery even though He is an ever-ready, omnipotent, omnipresent, eternal, mighty God whose power has never diminished.

All of this is still in effect, yet only for the believer: **Mark 16:17-18** *And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.*

Are these signs evident in

Beck, yet amazing as that is there is room in God's Kingdom for all gifts, personalities and faiths as long as they are based upon the Rock of Salvation, Jesus. Would you take the word of a prophet over a jack-ass? Yet it was Balaam that could not discern what the donkey could, and only one of them spoke the truth! I have been able to glean from ministers who believed in a pre-tribulation rapture and another who did not. A ministry is not invalidated because we might not agree with every aspect. Whether or not we lean toward one ministry over another, which is quite natural, we give respect to God's anointed servants not to

your life?

Hometown disbelief stunted the name of Jesus by familiarity and little was accomplished, which is likewise for us ministering in our own hometown and families, but that should not retard our faith. We shake the dust off and continue on. Jesus knew this would happen and gave this instruction: **Matt 10:14** *And whosoever shall not receive you, nor hear your words, when ye depart out of that house or city, shake off the dust of your feet.* **Mark 6:11** *And whosoever shall not receive you, nor hear you, when ye depart thence, shake off the dust under your feet for a testimony against them.*

For everyone who does not receive you, there are doubly more hungry or desperate and willing to hear and believe if we do not faint

touch them with criticism or hurt their cause. After all, Jesus was not only the lamb sacrifice but the Lion of Judah. Two different characteristics and missions. They are prophetic mysteries. Jesus came to earth like a lamb to show God's gentleness and kindness and will return as a lion with the majesty of a king to rule and judge His people.

Whether the exhorting ministry of the lamb or the dynamic ministry of the lion both can live nicely together in Christ Jesus.

This is the time for all ministries to "**hang together or we will hang separately**"...to coin a phrase.

from discouragement because it is also written: **Matt 10:41** *He that receiveth a prophet in the name of a prophet shall receive a prophet's reward; and he that receiveth a righteous man in the name of a righteous man shall receive a righteous man's reward.*

Do you realize that someone is being healed right now. Yes, down right miracles are happening at this very moment. Also at this very moment Satan is defeating someone with lies. Both kingdoms are actively working full force on this little obscure planet.

Now **I AM** admonishing you to come out of those dry, dark places and walk effectively in the light of God's Son. **I AM**; are you?

NAME BRANDS, BEST SELLERS, AND LUXURY ACCOMODATIONS

Today's people are conscious of name brands. In fashion some of the names are Adeana Couture, Armani, Gucci, Calvin Klein, Christian Dior, Donna Karen, Michael Kors, Pierre Cardin, Prada etc. Some of the biggest named companies and corporations are: Walt Disney Co., Time Warner, Google, Nike, Samsung Electronics, Sony Software, Discovery Communications, Coca-Cola, Pepsi, L'Oreal, as well as the National Basketball Association and World Wrestling! This is not by any means an exhaustive list. People like to have what is considered the best for a fashion statement or equipment, entertainment, luxury suites and mansions etc. and are willing to pay for the privilege just to have the name or status. It can become an addiction as we observe the rich and famous and try to copy their lifestyles only to be owned by the world credit system which then is a struggle to pay back. Our understanding is that the more it costs the better it is, therefore we sacrifice for the best.

The top "name" on any of the lists both in the U.S. and abroad, which has never changed through the years no matter the economy...can you guess? *Eph 1:21 Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come: JESUS*

The top list of books to hit the best seller lists in the last 50 years are: Harry Potter series 450 million sold, Xinhua Ziden Chinese Dictionary 400 million, McGuffey's Readers 125 million, American Spelling Book-Webster 100 million, World Almanac 80 million, Betty Crocker Cookbook 27 million. Although it is impossible to obtain exact figures, there is little doubt that the Bible is the world's best-selling and most widely distributed book. A survey by the Bible Society concluded that around 2.5 billion copies were printed between 1815 and 1975, but more recent estimates put the number at more than 5 billion. By the end of 1995, combined global sales of *Today's English Version (Good News) New Testament* and Bible (copyright for which is held by the Bible Societies)

exceeded 17.75 million copies, and the whole Bible had been translated into 349 languages; 2123 languages have at least one book of the Bible in that language, however, if we went back to the scrolls of ancient days those numbers change greatly!

Topping the list of best resorts to die for from least to most per one night stay are: Little Palm Resort off the coast of Florida \$1,145, Burj Al Arab \$1,333, Huka Lodge New Zealand \$1,780, Turtle Island in Fiji \$1,832, Wakaya Club Resort in the Caribbean \$1,900 per night with a minimum of 5 nights' stay, The Mansion in Las Vegas \$5,000 and Signite Game Reserve in So Africa \$14,600 per adult and \$7,300 per child per night! But there is really only one place to die for and that is HEAVEN. The accommodations are for an eternal stay and all needs are met including, but not limited, to a new body that never ages, gets sick, depressed or dies, a mansion designed especially with all your own tastes and some for which you had no imagination! To top it

off you get to see, touch and talk with all the most famous characters of history as well as the Creator of the universe. You can walk through botanical carpets without crushing one flower underfoot! If you want a closer look at a whale you can walk right up and pet him on the nose or take a ride underwater without an oxygen tank. You could even sit with a lion lying down by a lamb! If you would rather not walk you may think of the place you would like to go and there you would be. Only think of a question and the answer will follow immediately. The banquet feasts are of the richest, most delectable foods, yet not one ounce will you add to yourself. There are no preservatives or additives but only the finest and freshest cuisine. No matter how long the stay, you will never see it all, but it will be a joy trying anyway! So, what big name are you after and on what registrar do you want your name reserved?

THE SKY IS FALLING!

To all my dear readers who think I believe the world will end in the next three years...are you kidding me? I see a timeline in which disaster has its opportunities and blow the warning trumpet, but I have not maxed out my credit cards and packed my bags to sit on a mountain top waiting to be "raptured" away.

Do I think something major will happen on or close to the 2014-2015 tetrad? Do I believe these are end times? You bet I do, but how many years are involved, *that* I do not know nor claim to know. If I had to guess, we are after the time of the Gentiles being fulfilled in Luke 21:24, which happened in 1948 during a tetrad on a Jewish feast and 1967 during an-

other identical account in which Jerusalem was attained to the Jews. We are now in between Luke 21: 25 and 26, which gives these possibilities:

- And there shall be signs in the sun, and in the moon, and in the stars; (tetrad 2014-15??)
- and upon the earth distress of nations,
- perplexity;
- the sea and the waves roaring;
- Men's hearts failing them for fear, and for looking after those things which are coming on the earth:
- the powers of heaven shall be shaken.

So far the first of the 4 back to

back blood moons started in April 15th this year with a war in Israel and an all out thrust to divide Israel by other nations including our own President Obama. The next blood moon date is Oct. 8th, 2014. In 2015 the dates are Apr. 4th and Sept. 28th on feasts as well. What will happen on those date? Well look at the bullet points in the previous column. If you see these things beginning then you know. It is not for me to guess but to consider, be sober and watch, which is my suggestion to all.

A nut did not have to hit me in the head to tell time. We can see, feel, hear it, and when the dominos start to fall or as Jesus told us that when we start to see these things know that He

is *soon* to come. How many days, months or years is in *soon*? Jesus said when we start to see the signs of verses 25-26 a generation will not pass before it is all accomplished (Lu 21:28-32).

If you want to check out the end time clock, do what I do...pay attention to what is going on in Israel. Watch the signs and seasons. The best advice is live every day in the Lord seeking His face and hearing His voice following none other.

Phil 2:5

*Let this mind be in
you, which was also
in Christ Jesus...*

I AM: By A Daughter In Christ

It is true what the Word says about training our children in the way they should go and when they are old they will not depart from it.

No matter the difficulties in life, when you know your God and believe what He says we are, we can overcome all obstacles. Here is what one daughter wrote recently of her discovery in the Lord:

*I am millennial.
I know the inside of downsizing.
I know the downside of upgrading.
I am a state-of-the-art multi-tasker.
My inner child is outward bound.
I am a hot-wired, light-seeking missile
for I am fearfully and wonderfully made in the image of the Most High God.*

I interface with my data-

*base.
My database is God's space...and time.*

*I was hyperactive,
now I am proactive.*

I am on-point, on-task, on-message and under the radar.

I am a high-concept, low-profile, high-range ballistic missionary.

I am a smart bomb.

*I take power naps.
I run victory laps.*

I am an outreach of my Father.

I am not in rehab nor in denial.

*I am with an agenda,
which comes with a voice.
You will not shut me up
or dumb me down.*

*I am tireless.
I am wireless.*

I am always in the midst of the Alpha and Omega without Beta blockers.

I am a non-believer in many things and an over-achiever in others.

I am up front, high definition and down-home.

I am hands on and foot loose even when I walk through the valley of the shadow of death.

I am fearless.

I am feeling, caring, healing and sharing.

I am gender specific and user friendly.

I was created.

I am toll-free and fun-sized.

There is life in a thought retained as indicated by this Scripture: **Prov 23:7 For as he thinketh in his heart, so is he:** You become who you think you are, which is not necessarily who God made you to be or what He wants you to know about yourself.

It has been said that you cannot stop a bird from flying overhead but you can prevent him from building his nest in your hair! There are many negatives flying overhead, yet watch out for the ones pointed at you and resist their nesting in your thoughts. Satan is good at laying eggs in the nest of a human mind.

You cannot change your circumstances if you cannot change your thinking.

Do not allow the yoke to be on you!

I am fully equipped and clinically proven.

I am pre-washed, pre-screened and pre-approved for the coming events.

I am a chip off the Ancient block.

I am a child of the Most High God.

Moms, let me just encourage your hearts to never give up on your children even if they seem hell-bent and stubborn.

Because...

I am a mom who binds up hell-raisers and raises up hell binders!

I am a giver not a giver upper.

I am a teacher, preacher who stands in the gap against the breacher!

Give it up for moms who persevere and their children who get it! Got it?
