## The Difference

What is the difference in jealousy, wrath and anger when it comes to God, Satan and man?

You see man places God within his own emotions, and it is man that needs to succumb to God's for a better outcome. We have the choice to accept the heart of God or the mind of Satan in each emotion.

Look at jealousy. *Ex 34:14 For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God: Deut 4:24 For the LORD thy God is a consuming fire, even a jealous God.* It is mentioned that God is jealous five times in the Old Testament and 0 in the New Testament. What happened to His jealousy? Did He convert from His old ways? Man perceived a

jealous God that would strike down and destroy those who sinned against Him. These were man's perceptions which are documented with every disaster that eventually followed stamping God's name to it. The finger of blame never pointed to Satan who had tempted man then waited in the wings to strike him down. We know this, for Satan was mentioned in four instances in the Old Testament and most of that was in the book of Job. The devil got no mention but devils we see four times as well in the OT. Generally all the destruction in the OT was pointed in God's direction, while Satan got a pass. If you do not believe me, site the very first episode: Satan clearly tempted Adam and Eve to go against God, but look who Adam

blamed: *Gen 3:12 "The woman whom YOU gave to be with me, SHE gave me of the tree, and I did eat."* First and foremost the fault was God's and then Eve's and lastly he could hardly help himself. It looks as though God is punishing them in what He says afterward, but actually He is explaining the manner of their choice. From the very start God gave them everything but one and warned them of the death, misery and sorrow that could result. God always sets life and death before our eyes so we might make the right choices and live.

The kind of jealousy, wrath and anger of God sent Him to a tree in order for man to put all sin on His beaten back nailing Him to a tree of shame for our sakes.

God's jealousy saved us. God's wrath died in our place. God's anger gave us grace and eternal life through forgiveness. Satan's jealousy, wrath and anger steals kills and destroys everything in its path and then points to God and says, "The children **YOU** created have done this!"

We have a choice to be after the heart of God or the mind of Satan. If we take the heart of God, we can love through any hurt inflicted and be healed, but with the mind of Satan we retaliate and deepen the hurt and widen the gap. There is a great difference in outcomes. God is not our punishment but our reward.

Let me just ask you this: How many people have you saved or delivered through your jealousy, wrath or anger? Do you see the difference?

*John 14:6 I am the way, the truth, and the life: no man cometh unto the Father, but by me.*

*Matt 7:13-14 Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: 14 Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.*

Jesus is the narrow way. Way is the Hebrew word hodos a road; by implication a progress (the route): - journey, (high-) way.

Many people respond to situations through their emotions, and when those attitudes are addressed by the Word of God, they

respond, "Jesus understands me." Jesus does understand us and that is why the Word became flesh to point us to the right road. We are not the way, truth or life, so God made a way for us to walk in accordance with His Will. The Word was given for us as a map to journey the right way...the only way. God is not changing His Word because He understands you. He is giving you the WAY, TRUTH and LIFE, but you do not have to take it...God understands this too.

There is only one way and what you need to understand is that it is God's way in Christ Jesus.

"My way" is always the broad road. It will not be God's Will that you are there suffering a

breakdown. God left you His map so you would not be lost. The highway is described: *Isa 35:8-9 And an highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein. 9 No lion shall be there, nor any ravenous beast shall go up thereon, it shall not be found there; but the redeemed shall walk there...*

If you are not on this highway there is a lion roaming to and fro seeking whom he may devour and you are right in his path on his road humming to the tune... "I did it my waaaaaaay."

continued

Frank Sinatra might have wished he had sung a waaaaay different song. Have you ever really heard the lyrics to ***I Did It My Way?*** I think you should since it is so fitting to the world and many nominal Christians:

*And now, the end is near  
And so I face the final curtain*

*My friend, I'll say it clear  
I'll state my case, of which I'm certain*

*I've lived a life that's full  
I've traveled each and every highway*

*But more, much more than this  
I did it my way*

*Regrets, I've had a few  
But then again, too few to mention*

*I did what I had to do  
And saw it through without exemption*

*I planned each charted course  
Each careful step along the byway*

*And more, much more than this  
I did it my way*

*Yes, there were times, I'm sure you knew  
When I bit off more than I could chew*

*But through it all, when there was doubt  
I ate it up and spit it out*

*I faced it all and I stood tall  
And did it my way*

*I've loved, I've laughed and cried  
I've had my fill my share of losing*

*And now, as tears subside  
I find it all so amusing*

*To think I did all that  
And may I say - not in a shy way*

*Oh no, oh no, not me  
I did it my way*

*For what is a man, what has he got  
If not himself, then he has naught*

*To say the things he truly feels  
And not the words of one who kneels*

*The record shows I took the blows  
And did it my way*

*Yes, it was my way*

How would you like this as your epitaph? Yet he sang it out at almost every concert or appearance as his signature of life.

Is this the highway journey you want? It is definitely a “dare devil” course to risk and any devil would take the dare of a feeble attempt to that naked approach.

## APOSTASY

I believe that many people do not really understand the depth of what the word ***apostasy*** means. I think many assume that in the latter days of earth there will be fewer true Christians in existence. While that is truly the case, apostasy is a renunciation and abandonment of faith. People will feel that they have been lied to by the church...their pastors, and in the end see God as the lie.

How could a multitude of people turn from their faith? Could it be one huge event like the tribulation and their promises of an early rapture nonexistent? Could it be a “boil the frog” slowly process of the churches conforming to a political agenda of platitudes and philosophies? Could the celestial beings that came here in Genesis return as gods denouncing the belief in any supreme God by showing mighty works and miracles? (Bet you had not thought quite that far, huh? Hey, the Bible records its event; it is not sci-fi! The breeding of these celestials and humankind is what brought such debauchery that caused the great deluge.)

The less you know about the Word of God, the easier your faith can shake. You can be ever present in attendance every time the church bells ring, yet without an intimacy in the Word of God, you could question everything you thought you believed so strongly.

One thing I know is that the Bible says that there will be a falling away of those who once believed. We just do not know the events or event causing it. It could be everything I men-

tioned or something totally different, but we know it will come.

In the weakness of shaky faith the one of perdition is exposed. What a time to be weakened in faith!

Our faith is always being tested, which means we had better be passing these trials by the uncompromising Word of God:

***Mark 13:22-23 For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect. 23 But take ye heed: behold, I have foretold you all things.***

We have all been forewarned.

I have believed in a pre-tribulation rapture of the church as well as being here as the Scripture states until the last trump. If you want to know how I believe at this moment in time here it is: ***“Blessed are those servants, whom the lord when he cometh shall find watching: verily I say unto you, that he shall gird himself, and make them to sit down to meat, and will come forth and serve them. And if he shall come in the second watch, or come in the third watch, and find them so, blessed are those servants.” Luke 12:37-38***

I believe in the watch...plain and simply...watch. Jesus said we are to be watching. What exactly is the Hebrew meaning for ***watching*** and ***the watch?*** Grēgoreuō is the word for “watching” in the first part of the Scripture meaning to *keep awake*, be vigilant,

wake, be watchful. There is another word for the second or third watch which is phulakē meaning a particular division of time or confinement of time.

Notice in the Scripture the mention of the first watch is missing as if the time of it had already expired consideration or would shortly have expired.

Jesus never said anything about waiting for an escape in that Scripture, yet it has become a dangerous concept in comparison to setting a watch. A watch is being active in making yourself aware and preparing.

Joseph had a vision of his destiny in which his brothers bowed in respect to his call, but they threw him out along with the prosperity they could easily have had. Scripture talks about those who receives the prophet also receives the reward of the prophet. The brothers had not been “watching” the signs. They were oblivious being “Israel’s child” that they could escape famine, yet the day came that they were right smack dab in the middle of famine.

North America had best wake itself and WATCH rather than take a lackadaisical attitude that it does not matter since you plan on being gone before the fat hits the fan.

No matter in what camp you have staked your tent, watch and be vigilant. Prepare to be a help to the people around you, while you have the chance. Work, Watch and Wait on His Word. No one has ever regretted being pre-

# THE HIGHEST COURT

There is a time when under attack that we come to the place where we say enough is enough. About 30 years ago I had an experience like that. I cannot remember the attack, but I remember thinking that I had had enough. I stormed into my bedroom and closed the door. I envisioned myself before God as JUDGE in the HIGHEST COURT and I was making my case before Him for divine judgment. (I did not mince words but brought clear representation of my case quite loudly as I recall.) I argued my case against the devil using all the Scriptures that came to mind.

**Heb 4:16-5:1** *Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.*

Satan, as a liar and perjurer, was found guilty as charged and I won my case. I knew I had won before the answer manifested, because the Judge/God watched over His Word to the letter of the law.

I will admit two things to you. (1) I did not always go before the Court of Grace. (2)

## CONFESSION

*No weapon formed against me shall prosper, and every tongue that rises against me in judgment I condemn. Isa 54:17*

*I am established in righteousness, and oppression is far from me. Isa 54:14*

*The weapons of my warfare are not carnal but mighty through God to the pulling down of strongholds 2 Cor 10:4*

*I take the shield of faith, and I quench every fiery dart of the enemy. Eph 6:16*

*I take the sword of the Spirit, which is the Word of God, and use it against the enemy Eph 6:17*

*I am redeemed from the curse of the law. I am redeemed from poverty. I am redeemed from sickness. I am redeemed from spiritual death. Gal 3:13*

*I overcome all because greater is He that is in me than he that is in the world. 1 John 4:4*

*I stand in the evil day having my loins girded about with Truth, and I have the breastplate of righteousness. My feet are shod with the gospel of peace. I take the shield of faith. I am covered with the helmet of salvation, and I use the sword of the Spirit, which is the Word of God. Eph 6:14-17*

*I am delivered from the power of darkness and translated into the Kingdom of God's dear Son. Col 1:13*

*I tread upon serpents and scorpions and over all the power of the enemy, and nothing shall hurt me. Lu 10:19*

*I do not have a spirit of fear but power, love and a sound mind. 2 Tim 1:7*

*I am blessed with all spiritual blessings in heavenly places in Christ Jesus. Eph 1:3*

*I am healed by the stripes of Jesus. Isa 53:5*

*My hand is upon the neck of my enemies. Gen 49:8*

*You anoint my head with oil; my cup runs over. Goodness and mercy follow me all the days of my life. Ps 23:5-6*

*I am anointed to preach, to teach, to heal and to cast out devils. Mk 16:15-18*

*I receive abundance of grace and the gift of righteousness, and I reign in life*

Every time I use this practice, I have won each case. Recently I re-evaluated these two things to see that I could win more often than not if I would not wait until I have had enough before taking my issue to God's Court.

Since considering this, I emptied my spare room closet and made a court room in my home. I put in a lectern and made a book of Scriptures for any occasion I might need in which to refer according to my case.

To go before the Judge, you must be confident in Whose you are. I have great favor with the Judge. He gave His life for me and His power and authority to state my case and win it.

**1 Cor 6:2-3** *Do ye not know that the saints shall judge the world? and if the world shall be judged by you, are ye unworthy to judge the smallest matters? Know ye not that we shall judge angels? how much more things that pertain to this life?*

Christians fight carnal battles in the courts of flesh when they could win in the Spiritual

Court of God.

I want to give you Scriptures in the confidence you need, if you can believe what God's Word says you are. Put all feelings of weakness aside...YOU HAVE A RIGHT AND A VOICE IN GOD'S WORD!!!

The amazing thing is hearing your own voice making declarations of Truth, which trump the feelings of inadequacy. Go BOLDLY before the throne. You have a winning case...PRESENT IT! SPEAK IT!! Make your voice heard...especially by you.

Below I have a powerful starter in a confession of Scriptures. Before presenting your case get rid of any unforgiveness you may be holding. Forgiveness is part of winning. Remember that you are not fighting the people that may be involved but the spiritual forces using physical people. Aiming spiritually changes the physical world.

Read the confession below out loud.

*through Christ Jesus. Rom 5:17*

*I have life and that more abundantly. John 10:10*

*I walk in the light as He is in the light, and the blood of Jesus cleanses me from all sin. 1 John 1:7*

*I am the righteousness in Christ. 2 Cor 5:21*

*I am the head and not the tail. Deut 28:13*

*I shall decree a thing and it shall be established in my life. Job 22:28*

*I have favor with God and with man. Luke 2:52*

*Wealth and riches are in my house, and my righteousness endures forever. Ps 112:3*

*I will be satisfied with long life, and God will show me His salvation. Ps 91:16*

*I dwell in the secret place of the Most High, and I abide under the shadow of the ALMIGHTY. Ps 91:1*

*No evil shall befall me, and no plague shall come near my dwelling. Ps 91:10*

*My children are taught of the Lord, and great is their peace. Isa 54:13*

*I am strengthened by the might of His Spirit in the inner man. Eph 3:16*

*I bless my natural enemies, and I overcome evil with good.*

*This is my confession before the High Court of my God and Savior Jesus Christ. God, You watch over your Word to perform it, and I have presented your Word. Your Word is directed toward me not for who I am or Whose I am. I am your child and You are my God. The promises of Your Word belong to me and I claim them now. Loose all the gifts that were robbed through my ancestral line and restore my bloodline and DNA. I call my liberated bloodline gifts back with its talents, gifts, wisdom and the mind of Christ. Recalibrate my thinking to Your thinking. I receive the Glory of the Lord to cover me completely restoring all that was lost through the generations. I give you all the glory and praise, in Jesus name. AMEN!! AMEN!!*

Now, get in your closet presenting your case, and WIN IT!

## A FRESH APPROACH

I have many prayers that I pray in my closet. Today while praying for a friend's emotional healing, the LORD impressed me to also pray that same prayer for the emotional healing of America by filling her name in as a person.

This nation's sin has interrupted her GOD DNA so much so that too many of her citizens are on anti-depressants or anti-anxiety medications. These statistics are not only non-Christians but many, many Christians.

This is a nation overmedicated so that it cannot feel the pain of her disjointedness. Yet the disjointedness goes merrily along getting worst as it goes.

The government, through years of demoralizing compromises, has been given over to a reprobate mind. When you do not hear that we are a nation under God but a secular nation, you know that her DNA is changed by the vote of the last two elections. However, she had been slowly sinking before that or one election could never have succeeded to accomplish so much damage.

We need to remember Jesus' warning to the churches:

### Revelation 2:5

**Remember the height from which you have fallen! Repent and do the things you did at first. If you do not repent, I will come to you and remove your lampstand from its place.**

### Revelation 2:16

**Repent therefore! Otherwise, I will soon come to you and will fight against them with the sword of my mouth.**

### Revelation 3:3

**Remember, therefore, what you have received and heard; obey it, and repent. But if you do not wake up, I will come like a thief, and you will not know at what time I will come to you.**

I am not leaving my country's welfare up to the politicians any longer because I am not giving credit to any political party but placing it at the feet of God's children. Thus, my prayer this morning was to pray for the America like I would any person needing emotional healing. I am also asking you to read this out loud as your prayer of agreement:

*"Father, You are the Healer of the brokenhearted. You declare that You bind up their wounds. Because it is Your nature to heal, I ask You to heal America of all her emotional wounds. By Your love and power, remove the hurt and anger that she is experiencing.*

*Help her move on to emotional wholeness (Psalm 147:3).*

*Father, I ask that America would trust in You as her Healer. Build her faith to depend on You as her Healer. Reveal to America that You are filled with mercy and grace. Convict her of Your willingness and ability to heal her (Psalm 103:8, 11).*

*Father, You are America's Creator. You have made her emotions. These emotions have been wounded; they have been torn apart. Sinful, negative emotions have been cultivated into her life and changed her DNA. I plead for You to release Your power into her life. Remove the sinful, negative emotions that resulted from her emotional wounds. Heal America so that she can experience emotional health and wholeness (Genesis 1:27).*

*Father, America has experienced deep emotional wounds. But I ask You to deliver her out of all of these. Heal America and cause her to grow from these wounds (Psalm 34:19).*

*Father, You promise to be near those who are brokenhearted. I pray that You would grant America a deeper experience of Your presence. Surround her with Your love. Cause her to know that You love her without reservation (Psalm 34:18).*

*Father, You sent Jesus to heal the brokenhearted. You sent Him to set the captives free. I plead in the name of Jesus that America would experience complete emotional healing. In the name of Jesus, I pray that America would be set free from every past hurt that binds her. Through Your Son Jesus, heal America and grant her freedom from the consequences of her past hurts (Luke 4:18-19).*

*Father, You gave me authority to bind Satan from America. In the name of Jesus, I command that they would no longer harass or oppress America through her emotional wounds. Lord Jesus, heal all America wounds. Deliver her from the attacks of the enemy through past emotional wounds. Heal her, and cut off every avenue of the enemy in America's life (1 Peter 5:8).*

*Father, I plead that America would seek You with all her heart. I declare that America will cry out to You for emotional healing. I declare that America will seek You with all her being and that You would release Your healing into her life (Jeremiah 29:13).*

*Father, I ask You to set America free from any unforgiveness in her life. Deeply convict her of any unforgiveness that she is harboring.*

*Through Your grace and power, enable her to release the debt, the anger, and the damage into Your hands. I declare that she will forgive as You do for the sake of Christ (Matthew 6:14-15; Ephesians 4:32).*

*Father, grant America the strength and help to face the wounds of the past. I declare that America will not neglect or suppress the hurt or the pain. Empower her to face these things, to seek You for healing, and move on by Your grace and power. I pray that America's past would no longer hurt, hinder, or destroy her present and future (Hebrews 13:5-6, 8).*

*Father, I pray that You would cultivate the fruit of the Spirit in America's life. I plead with You to transform America. Root out the sinful, negative emotions that have been cultivated in her life. Replace these things with Your fruit (Galatians 5:22-23).*

*Father, America has been wounded. Yet, I receive Your healing in her life. I ask that America will learn from those things that happened in the past and would press on to Your purpose and Your blessings for her future. I plead that America would keep her eyes focused on You. AMEN!"*

**STAND UP CHRISTIANS AND TAKE A FRESHER APPROACH!** Do not sit back making comments of how fallen we are, but pick up the declaration through Scripture and call wholeness back into her.

### Psalms 37:3

**Trust in the LORD and do good; dwell in the land and enjoy safe pasture.**

### Isaiah 40:29

**He gives strength to the weary and increases the power of the weak.**

### Psalms 31:24

**Be strong and take heart, all you who hope in the LORD.**

### Psalms 27:14

**Wait for the LORD; be strong and take heart and wait for the LORD.**

### Psalms 37:28

**For the LORD loves the just and will not forsake his faithful ones. They will be protected forever, but the offspring of the wicked will be cut off;**

If this has not encouraged you to pray that prayer aloud in firm, resolute conclusion, then at least stop murmuring against her tying God's hands.

## THE SEASON

In seeking the Lord for the season, I got this in my Spirit: ***“The season for people coming out of the closet is over. It is time for my children to go into the prayer closet.”***

The Bruce Jenners are all out of the closets and have their own television programs converting the world’s confused children who have been robbed of their identity only to become reprogrammed. There is no more closet from which sin needs escaping, for sin has now been given rights. No closet holds back sin from exposure in these cases.

That being said, it is now the time of God’s children to be serious in fighting through intercession in closets of prayer. We are fighting for ourselves, our families and neighbors, for our churches and nation to bow before the King of Kings and operate in His Kingdom.

This is a serious season and we need to be serious in our spirit to rise to the occasion of opportunity by realizing our power and authority.

## NEW MATH

My pastor recently ministered such an awesome word that I feel it needs to go beyond the church walls for more to hear it. I have taken some liberties in addition.

He spoke of patterns in our lives adding up for a sum total or outcome. There are specific factors that multiply together to make a product. If we do not like the product playing out in our lives then the factors making the product must be changed. To change the product we must change the pattern or factors: ***Titus 2:7-8 In all things shewing thyself a pattern of good works: in doctrine shewing uncorruptness, gravity, sincerity, sound speech, that cannot be condemned; that he that is of the contrary part may be ashamed, having no evil thing to say of you.***

If the pattern of our addends are fleshly the sum total will be the exact opposite to what we desire them to be. All the factors that we entertain likewise give us a predictable product accordingly.

We are a people of patterns, habits and routines. All of our factoring produces what we see. I have found that most people who are depressed have all the factors

This is not a time to shake our heads and mourn the loss of what used to be a great nation. Of a Truth, it was not that this nation was ever great, but that over this nation was a great God and her land was blessed by that greatness.

The Bible tells us to put away crooked speaking: ***Pro 4:24 Put away from you crooked speech, and put devious talk far from you.*** If we talk and walk crookedly how can our land be anything BUT crooked too. I am so tired of hearing about how crooked this nation has become. We are encouraged by the Word of God to call those things that are not as though they are.

The government does not have greater power than God’s Kingdom and His Kingdom lives in us. We should be a people who speak straightly and take our fight into our closets of power where kingdoms fall under God’s supreme reign!

in place that lead to depression. The patterns that have formed have changed their DNA from what God intended becoming somewhat twisted or deformed causing mental handicapping whether in fear, anxiety, dread and thoughts of suicide.

Satan is behind the deformation of our DNA, yet we have the will to change this and get back what was stolen. We make choices everyday. Satan may initiate a thought but we have the choice whether or not to be under its influence. It is man who makes his own patterns by an act of his own lust:

***James 1:13-17 Let no man say when he is tempted/tested/ried, I am tempted/tested/ried of God: for God cannot be tempted/tested/ried with evil, neither tempteth/testeth/trieth he any man: But every man is tempted/teste/ried, when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death. Do not err, my beloved brethren. Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variable-ness, neither shadow of turning.***

***Rev 11:15 And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.***

That needs to be our voice sounding and declaring Revelation’s Truth! We need to keep our tongue from crooked talking, our feet from crooked walking and our spirit from crooked baulking away from the good faith.

This is the season of the prayer closet. Let God say of yours: ***2 Chron 7:15-16 Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place. For now have I chosen and sanctified this house, that my name may be there for ever: and mine eyes and mine heart shall be there perpetually.***

AMEN

Many of our idle words and actions are the very factors making up the product affecting our lives. We so carelessly allow reactions to factor into our lives: ***James 1:19-20 Wherefore, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath: For the wrath of man worketh not the righteousness of God.***

Had you ever realized that giving someone a piece of your mind, means that you are losing your mind? As well are those who stifle their words of anger yet allow the anger to build into volcanoes that have a tendency to erupt at any time.

Everyday Christians are filling prescriptions to deal with the factors and patterns of life. There is no medication on the market or in existence that can change the product of our factors. Through Jesus we can conquer all negative factors and change the patterns back to the good works of God. If you do not like where your life is going, give a self check of the factors producing the product of your life and make some changes. Start factoring in more of God’s Word. Sow in God’s Word and reap a better crop. Cut off the sin before it cuts you off. Amen!
