## UNITED STATES OF A-MIRACLE

Ever since I heard Rich Vera talking about miracles, yet in a slip of a tongue said the United States of A-Miracle, it has been a prophetic word to my heart. We are the United States of Amiracle with a destiny. This does not mean that there will be no hard days ahead for both Israel and us, as well as the world, but the children of God will be mighty in this land, Israel and abroad. Children of God are adding in numbers in all parts of the world. God's power and grace will be seen by the world during a time of otherwise darkness.

I have had a vision of what I would be doing in the dark times of this nation, so I can only speak for it. I saw two types of people; those standing and rejoicing in the Lord and those crawling on their bellies

dying. There was no in between. In the vision I wondered what had happened to cause such a divide, and the answer was immediate: **Ps 91:7-8 A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. 8 Only with thine eyes shalt thou behold and see the reward of the wicked.** (Wicked here is rāshā' meaning ungodly or without God. There are plenty of nice people who are without God.)

Children of God by relationship rather than church attendance, will be functioning and operating in the power of the Holy Spirit with signs and wonders. This will be vastly different from the "signs and wonders" counterfeited by the antichrist who will work in tricks and holographic delusions.

No matter what element we face, in this country or any other nation, be it large or small, we remember that we will shine whether we are Daniel in the lion's den, Noah in the deluge, the children of Israel stopped at the sea with the Pharaoh's soldiers in hot pursuit, three in the fiery furnace yet not alone, or Paul and Silas in prison...We are not devoured, drowned, speared, burned or bound!! We are a miracle in Amiracle. We are the head and not the tail, above and not beneath amazing instruments of the living God. Whether in life or death we shine: **Heb 11:35 Women received their dead raised to life again: and others were tortured, not accepting deliverance; that they might obtain a better resurrection...**

Children of God all over the world have a destiny to fulfill. This nation has a purpose and destiny that is bigger than the wants and desires of its government because this nation is based upon God's desires and His Government.

Sometimes there is a burn off in a field to cleanse it from unwanted brush and weeds, while putting back nutrients into the ground to revitalize it. Many have had visions of fires here in this nation, but there are two types: the destructive fires of the enemy and the cleansing fires of God as He pours out His Holy Spirit to revitalize the land and His children again.

Pick your fire, while the picking is good.

## SPIRITUAL IMMUNE SYSTEM

*When a healthy body first encounters a pathogen, the immune system wastes no time responding to the threat. Specialized cells, working in concert, form a sort of chemical consensus about how to identify the invading organisms – usually via unique proteins which appear on the invaders' outside surfaces. Messenger cells then travel throughout the body, stimulating other cells to destroy anything which is recognized as an intruder. This process is continuous without our knowledge unless the battle intensifies and we notice symptoms.*

The enemy works in the same way spiritually by initiating a germ in our brain which sends a signal to our body, whether of pain, depression, fear or taps on an old wound or addiction. It is a mere germ and easily overwhelmed by our spirit if we would recognize it and act as

quickly as our physical immune system works.

Say for example that the germ initiated is anger. The Word being the basis for all immunity recognizes the intruder and says, "No, that is not my anger and has nothing to do with me," which in turn shuts off the signal and you forget about it until later when you notice that the anger is gone. Sometimes, just as in the physical immune system, the symptom intensifies and it is time to confess the fault and forgive or be forgiven.

Have you ever felt mentally out of sorts but cannot put your finger on why? It is that enemy germ that entered trying to sell you on the idea that things are not quite right. This too may be rejected if our spiritual immunities are set up to

move in quickly with the Word of God, but usually we do a mental scan of any possible reasons for being depressed. Since no life is totally perfect in every aspect, we can usually locate an area and begin to feed it fueling it further. Once you can make an identification the enemy will further capitalize on it.

I am telling you as an intercessor who has gotten this from the Holy Spirit that our spiritual immune system needs to be sharpened in the days ahead. There will be an onslaught by the enemy using microscopic germs, which starts as nothing more than a thought. We need to rule over the thought and kill the intruder or it will manifest and fester into a destructive force that will impede good health both mentally and physically.

## TRUMP: SON OF THUNDER

We remember the early nickname for James and John as the “sons of thunder”. Why was this nickname given? We see the knee jerk reaction when rejected by the Samaritans that James and John wanted retaliation...payback, and they were not quiet about it.

**Luke 9:54** *And when his disciples James and John saw this, they said, Lord, wilt thou that we command fire to come down from heaven, and consume them, even as Elias did?*

Severe? Absolutely! Did they allow their anger to get the best of them? You bet, for IT IS WRITTEN. Was Jesus in agreement with them? No way did the Truth and Light agree, yet Jesus did not fire them for voicing destruction. He admonished them, and they all moved on.

These two disciples were hot heads and wanted a whole group of people to be destroyed. Yet these sons of thunder were disciples who became apostles greatly used by God. (I know I repeat this Scripture often lately, but the Lord wants us to get it.) **1 Cor 1:27-28** *But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty; 28 And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are:*

Look at the people God has chosen. There are some wowzer resumes, yet we read the whole outcome of these men. Today we cannot read the outcome when first seeing a son of thunder picked by God. We see the foolish man and think, as I did, “Please God, don’t allow this jackass to become president!” God’s response to me was quick and simple, **“I opened the mouth of the jackass.”** That was an eye-opener and mind boggler, yet it left me

with nothing more to say. I have tucked this bit of understanding in my heart not quite sure how to receive it. You cannot deny that a son of thunder like James, John or Trump got where they did on their own without God’s help...there is just no possible reason other than God’s intervention.

Here is a prophetic word that came from Jeremiah Johnson published July 28, 2015 in Charisma Magazine until an uproar, which caused Charisma to pull the article and erase it from their database. Johnson had gotten this word before he knew anything about Trump and had only heard him speak for less than 5 mins. when Trump first entered the race. Here is the Word the Lord gave him: *“Trump shall become My trumpet to the American people, for he possesses qualities that are even hard to find in My people these days. Trump does not fear man nor will he allow deception and lies to go unnoticed. I am going to use him to expose darkness and perversion in America like never before, but you must understand that he is like a bull in a china closet. Many will want to throw him away because he will disturb their sense of peace and tranquility, but you must listen through the bantering to discover the truth that I will speak through him. I will use the wealth that I have given him to expose and launch investigations searching for the truth. Just as I raised up Cyrus to fulfill My purposes and plans, so have I raised up Trump to fulfill my purposes and plans prior to the 2016 election. You must listen to the trumpet very closely for he will sound the alarm and many will be blessed because of his compassion and mercy. Though many see the outward pride and arrogance, I have given him the tender heart of a father that wants to lend a helping hand to the poor and the needy, to the foreigner and the stranger.”*

Trump held a conference with 1,000 Christian leaders in which Billye Brim attended and took

notes. I gathered some of the notes she took that day:

**Intro: Reverend Franklin Graham** shared good things and reminded us that even the Bible’s leaders had flaws. Abraham lied. Moses disobeyed God. David committed adultery and had a man killed. Saul Paul persecuted and stood for killing Christians. *If God had to wait for a perfect person to make a leader, there would never be one.*

Dr. James Dobson, Dr. David Jeremiah, Tony Perkins, Kelly Shakelford, and Sammy Rodriguez asked Trump questions concerning religious freedom, Israel, Supreme Court appointments, race issues, abortion, terrorism, border and immigration issues.

*As the importance of the Supreme Court nominees was so dominant, I thought his answers were strong. It seems he has already listed 11 nominees he would make. He said all his judges would be vetted by The Federalist Society, a strong conservative organization.*

*His answers on Israel were also strong in that we should repair our association with this ally. Interestingly, he said he could not understand American Jews voting democratic when the administration had done so many demeaning and dangerous things to Israel.*

*His views on Islamic Jihadism were made plain.*

*He spoke to us for a while. In this he pointed out something that stayed with me the whole day and until now, this election is about the Supreme Court. The next president will appoint 2, 3, 4, or possibly 5 life term Justices. He spoke of protecting religious freedom. Spoke of how ministers are not as free as the man on the street.*

*He (Trump) pointed out that the clergy is largely muzzled, and dominated by fear about expressing their views on elections and things political. He said that he couldn’t understand it. Then someone pointed out*

*the fear was of losing their 501-C3’s.*

*He said this ought not be. Spoke about the terrible Lyndon Johnson Amendment that caused this. He challenged the leaders not to be ruled by fear.*

These were some of Brim’s notes, but all were very positive. She also stated that Trump stayed longer than the time expected and was respectful of all questions as well as comments about some of his brashness.

Many so-called voice’s of leaders have beaten this jackass for his unscripted, fearless and most definitely non-political correctness, yet not without the jackass running all the Balaam’s against the wall verbally.

While I am not calling Trump a prophet, we see what society has done to the prophets as far back as the Old Testament who dare uncover truth: **Matt 23:29-31** **Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous, 30 And say, If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. 31 Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets.**

We may not like what God’s anointed say or how they say it, but is it not better than the lies saying that everything is okay and then sudden destruction comes without warning: **1 Thess 5:3** **For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.**

Take this message to heart. I certainly have, but God still gives us the choice of leadership.

## MANNA

**Ex 16:15 And when the children of Israel saw it, they said one to another, It is manna: for they wist not what it was. And Moses said unto them, This is the bread which the LORD hath given you to eat.**

Manna was not simply a food given in the wilderness but a question.

The meaning of the word manna is clearly “what is it?” by interpretation: *mân* literally a *whatness* (so to speak), that is, *manna* (so called from the question about it). Moses called “what is it” bread, and Jesus calls Himself the Bread of Life...manna from heaven.

When Jesus was casting out devils the church leaders asked what new doctrine is this (Mk 1:27)? Jesus was giving them manna. Manna is the bread from heaven that provokes one to ask, “What is it?”

As a studier of the Scriptures, I am stopped many times by a question God drops in my heart. He is giving me bread from heaven so

that I ask, “What is it, Lord?” I gather the spiritual manna and eat of its knowledge.

God is calling us all to eat of His manna and learn of His mysteries or to use a phrase from Star Trek...“*To boldly go where no man has been before.*”

The children in the wilderness took all that God gave them for granted instead of desiring to know more of Him. They tired of manna and did not spend their wilderness time learning and growing so that by the time they came to the Promise Land, they were too afraid to enter. Their mentality is much like today’s in feelings of entitlement rather than understanding how blessed they are.

Manna or “What is it?” has created many inventions and made many discoveries otherwise unknown to man.

Colleges and universities have had their manna in bygone years but left it on the ground to rot and

breed worms by which they now teach. Instead of going boldly where no man has been before they breed worms of fantasies and obscure, abstract ideologies bearing no Truth as even a by product in their equations.

Today God has opened up portals from heaven to earth with His knowledge not far from reach if we will take up the manna offered.

We see the exponential growth in technology and we acquire the latest and greatest, yet disregard the manna which bears more fruit in knowledge, wisdom and understanding of what we had not grasp before. Even some of the best analytical minds miss Truth for concentration on the data over the manna. The Glenn Beck’s who have studied the course of history and have a wealth of studied knowledge cannot trump the voice of one prophet...not even the best of the best analysis could. The prophet does not compete with analysis or reasoning. He receives manna and serves it fresh. God stumps all the great minds by

doing something off the charts.

H&R Block would never tell you to go open the mouth of a fish to get your tax money, but God would. No hospital dietitian would tell you she could feed over 5,000 in house patients with a fish and five loaves of bread, but God could. No one believed Jesus when He said He could raise a temple in three days which took 40 some years to build, but He did it. Why would anyone build a ship where there was no place to float it...God would. No one can get a Jackass to speak for God...yet God opened the mouth of one.

Catch the manna offered at the time of the offering, for there is one thing we know by the Word...manna is timely. It must be collected when it is given for it to be good. Missed manna is missed opportunity. However, you can learn not to miss any more opportune moments, but understand this, only the hungry reach for the manna.

## RELEVANT STORIES

*This story is about a little wave, bobbing along in the ocean, having a grand old time.*

*He’s enjoying the wind and the fresh air – until he notices the other waves in front of him, crashing against the shore. “My God, this terrible,” the wave says. “Look what’s going to happen to me!”*

*Then along comes another wave. It sees the first wave, looking grim, and it says to him: “Why do you look so sad?”*

*The first wave says: “You don’t understand! We’re all going to crash! All of us waves are going to be nothing! Isn’t it terrible?”*

*The second wave says: “No, you don’t understand. You’re not a wave, you’re part of the ocean.”*

Just about the time you feel either

personally heading for a crash or the nation seems heading for one, we are reminded that we are part of a Kingdom set up by the King of kings. There is a bigger picture than the crash we perceive coming, and we are part of that bigger picture.

God has a plan for us all as well as for each. We are not alone. Faith is the uniter. You can meet a total stranger and find out in a short conversation that they are part of the Christian family even if they do not belong to your local congregation...we are family. Christians are not merely tiny waves crashing, but a large body of water by the washing of the Word of God.

The world tells its own story that goes something like this: *A robin is walking the shores of the lake when he spies the most beautiful creature he has ever seen with a long elegant neck and superior white feathers gliding*

*along in the water. “Oh, how I wish I was like you,” said the Robin.*

*The swan replied, “That was what I used to think until I saw a brightly colored parrot and wished to be like he.”*

*“A parrot?” thought the robin. “Then I must look for this parrot.”*

*When the robin saw the parrot, he exclaimed how he wished that he was like the parrot. The parrot answered, “I used to think that way of myself with my bright colors until I saw a peacock.”*

*Of course the robin sought for the peacock. He searched and searched until he came to the zoo...and there in all grandeur was the peacock with feathers spread strutting around in a colossal array of colors. There were crowds of people around watching this amazing bird with “oows and aahs”.*

*As the crowds thinned the robin approached and said “I wish I could be like you with people clambering to view your beauty.” The peacock replied, “I thought so too but I am in a cage. I have no freedom because I am bound by my audiences. I wish I were as free as you.”*

The world is always searching to be what they never can. They are not part of the ocean because they choose to be a copy of something smaller. While you may not see the ocean’s waves from the land, the ocean is greater, wider and more expansive than imagined...especially when the media never covers it.

Do not be fooled by the display of those bound by their audiences yet never satisfied. The world is not satisfied with who they are, since they neglect their destiny. Change your small thinking into the bigger picture.

## LESSON OF THE HEDGEHOG

There is a lesson in the story of the hedgehogs. In the adversity of freezing weather the hedgehogs began to freeze and die in great numbers. They decided to come together for warmth to protect their lives, but when they gathered closer together they were wounded by the quills of the others. Again because of wounds they separated and again decreased in numbers. A decision had to be reached. Either they would accept the quills of their companions or disappear from the face of the earth entirely.

This has been a well conceived plan of Satan to diminish Christianity. Though it works well, it will never scour Christianity completely. There are many faces in Christianity...Presbyterian, Methodist, Pentecostal, Seventh Day Adventist, Mormon, Catholic,

Baptist etc. etc. and all manner of non-denominations as well. The quills keep us separate in a time we need to gather in one common good...JESUS IS LORD OF US ALL.

There are many people who have isolated themselves because someone's quill poked them. Instead of allowing the wound to heal, it took them out of the body. They took residence in the "wound ward" and out of commission. I have been wounded by my children and have wounded them as well, yet we are still a family.

We can learn the message of the hedgehog or die out letting progressivism and all the other "isms" take control. They like to tell us that "we the people" have taken this land from the Indians.

However, the Indian tribes wounded their own and fought so much among themselves that the quills kept them separate until they lost all but small token areas of land.

It was a progressive move step by step that took prayer out of the public schools. It was a progressive move step at a time to call this nation secular rather than Christian. These things did not happen because there are no Christians but because Christianity has been divided against itself. Anything divided against itself cannot stand: **Matt 12:25 Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand:**

**Mark 3:24-25 And if a kingdom be divided against itself, that**

**kingdom cannot stand. 25 And if a house be divided against itself, that house cannot stand.**

**Luke 11:17 Every kingdom divided against itself is brought to desolation; and a house divided against a house falleth.**

There it is in triplicate for you. God's Word is warning us, but it seems for most that the quill is mightier than the sword "IT IS WRITTEN".

Ben Franklin said of this nation: "We must, indeed, hang together or, most assuredly, we shall all hang separately."

I would encourage you to gather with other believers and unify your heart to the bigger picture of the survival and revival of Christianity.

### "...TO SPITE THE FACE"

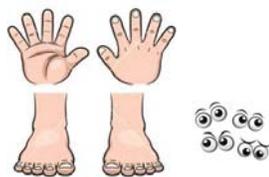

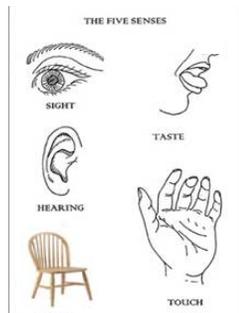

The body showed up for a meeting  
Coffee was served with a greeting  
Meeting's now come to order  
"We're all here," said the Porter

But there's a seat no one chose  
There's one missing. Where is Nose?  
Have any seen him...please do tell  
How do we sense him with no smell?

Hands were busy touching life  
Feet were fleeing from all strife  
Eyes viewing all they could see  
Oh, but where could that Nose be?

Heart was occupied with love  
Fingers touching God above  
Knees were bent in fervent prayer  
All seemed safe without a care

But what of Nose, no one knew  
So to the Mouth they all drew  
Mouth spoke and whisper came  
"I'm not sure who is to blame"

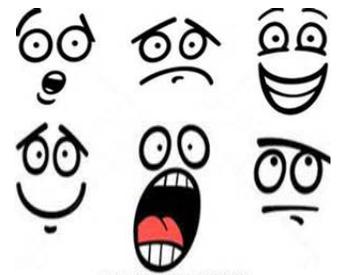

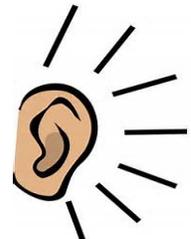

Let us hurry to the Ear  
If any Nose, he will hear  
"We're all related to the face  
But Nose is not in usual place!"

Maybe Nose is in a tiff  
How to discern without "The Sniff"?  
What is a Nose out of joint,  
But senselessness without point!

The body needs to work together  
Rain or shine or any weather  
Never a cold Shoulder be  
Nor let a grudge come unto thee

So, Body, listen; listen well  
Here's the story I will tell  
This meeting had a happy close  
Except, that is, for Mr. Nose!

-Rebecca O'Connor

## ANGELS ALL AROUND US

Angels are thought of in a certain light probably due to the many artists' view given to us. Many see them as God's robot army. Yet they, like humans, have unique personalities. Angels have choices about where they place their loyalties, and we know this from Rev 12:7. In that Scripture you find the word "drew" which comes from the root word meaning to chose or elect by choice. There were angels who switched their loyalties from God to Satan. Now you see two factions fighting against the other.

Who are these angels with Michael? In Daniel 12:1 Michael stands with God's children. Had you thought that it would be you and I fighting against the dragon's angels? Well, let's look further into Eph 6:12 **For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.**

- Principalities are governmental rulers over states rather than empires.
- Powers are superhuman potentates, which is a power above and beyond that of a typical human.

- Rulers of darkness of this world are world leaders doing shady underhanded deals.
- Spiritual wickedness in high (places) are derelict plotters in the celestial realm above our sky in the second heaven. Probably akin to Gen 6:1-4: nephil or nephilam...Enoch called them watchers re-translated "angels" but with physical bodies that could procreate, yet not ethereal beings from the third heaven that have neither physical bodies nor can they procreate.

We fight physically against world powers and by voting for leaders in our own nation. Voting is our ammunition against shady candidates seeking power to rule.

We are God's angels on earth fighting with Michael, God's chief prince, against the dragon and those who follow him whether ethereal or earthly.

Like the ethereal angels, we have a choice in where we place our loyalties. We are either angels of God or angels working with the dragon. How do we know who is who?

**1 John 4:2-4 Hereby know ye**

**the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: 3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world. 4 Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.**

The word "confess" is more than words or language but covenant with Christ in you. Is Christ the answer you give? Do your actions represent Him? I can tell you are saying, "Not all the time." How about most of the time? Is Christ come in the flesh? Let me rephrase: Is Christ come in your flesh? Hopefully you do not appear as an angel of light on the Sabbath and loyal to the dragon the rest of the week.

We are part of the angel squad on earth. Angels are all around us...some of God and some of the dragon or satan. **Gal 5:19-21 Now the works of the flesh are manifest, which are these; Adultery, fornication, uncleanness, lasciviousness, 20 Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, sedi-**

**tions, heresies, 21 Envyings, murders, drunkenness, revelings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.**

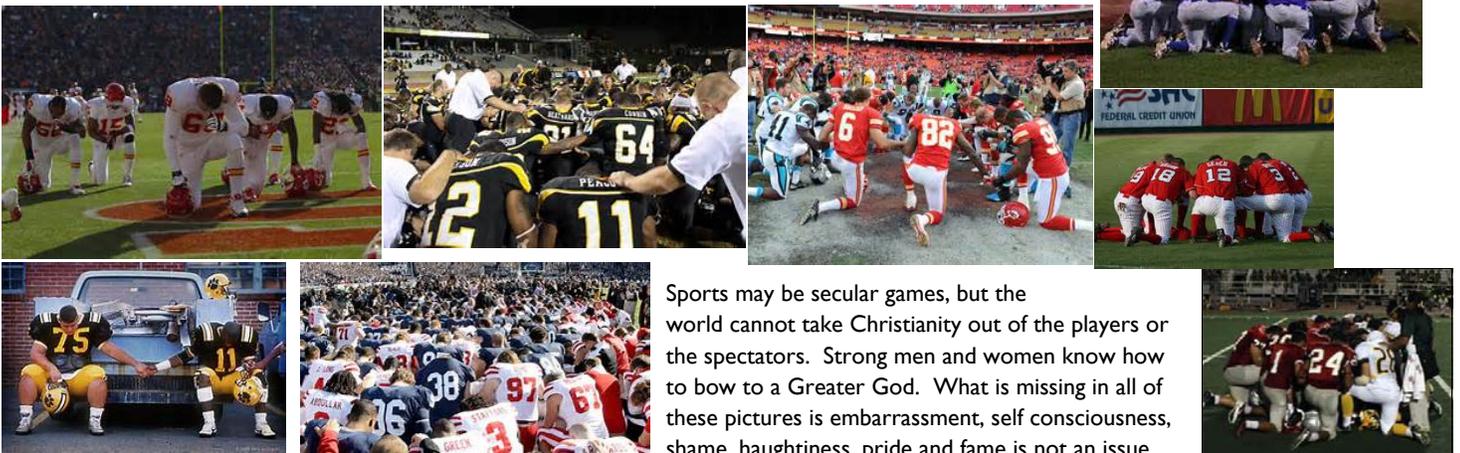

Some of the dragon's best angels are standing behind the pulpit or sitting in church pews. This does not make everyone in the church a disciple of the dragon but it does make the church divided against itself.

We, as God's angels, are to fight the good fight of faith and defeat the enemy. One way is to convert some of the dragon's army right under his nose!! Another is to use the ammunition of your vote for the fight of keeping our nation under God and not against Him.

Personally, I know some of the best of God's angels. They have been an ear to listen and a voice to encourage when my fuel is running low. They have been Jesus in the flesh when I needed a human touch, and I have been there for them in the same way.

Angels are all around us and we know them, and we are them. Thank God for His angels!

## SECULAR SPORTS?

Sports may be secular games, but the world cannot take Christianity out of the players or the spectators. Strong men and women know how to bow to a Greater God. What is missing in all of these pictures is embarrassment, self consciousness, shame, haughtiness, pride and fame is not an issue here. Bowing before God is not a weak sport but for the strong of heart.
