## The Scrooge Philosophies

To Quote good old Ebenezer, "If they would rather die, then let them do so and decrease the surplus population!" Scrooge's view of decreasing the surplus population was a contemporary idea introduced by the economist Thomas Malthus (1766 – 1834). Malthus argued that increases in population would overtake the development of sufficient land for crops and diminish the ability of the world to feed itself. Today it continues under such labels as "family planning", "abortion rights" and "public health programs", but the primary goal is always to get women to have less children.

This was not a view shared by the Creator of the entire universe, however:

**Gen 26:4 And I will make thy seed to multiply as the stars of heaven, and will give unto thy seed all these countries; and in thy seed shall all the nations of the earth be blessed;**

Satan, being on a collision course with God, is VERY into elimination of Jews and Christians...red and yellow, black and white **none** are precious in his sight!! Unfortunately Satan has seed in this land as well who follow after these eradication schemes.

Elimination of the Jews has been found all through the Old Testament and since the last word in the New Testament. Not to leave out other generations following to be surely discovered in Nero's fires, during the Spanish Inquisition and Hitler's furnaces and after.

History has shown over time that those in power have indeed practiced intentional genocide, abortion, famine, war, etc. against others to attain coveted resources and concentrated power solely for their own benefit, but to quote a few on population control:

"The elderly are useless eaters" Dr. Henry Kissinger from the book, the Final Days.

Here are a few more:

Dave Foreman, the co-founder of Earth First: "We humans have become a disease, the Humanpox."

Japan's Deputy Prime Minister Taro Aso about medical patients with serious illnesses: "You cannot sleep well when you think it's all paid by the government. This won't be solved unless you let them hurry up and die."

HBO personality Bill Maher: "I'm pro-choice, I'm for assisted suicide, I'm for regular suicide, I'm for whatever gets the freeway moving – that's what I'm for. It's too crowded, the planet is too crowded and we need to promote death."

Democrat strategist Steven Rattner: "WE need death panels. Well, maybe not death panels, exactly, but unless we start allocating health care resources more prudently – rationing, by its proper name – the exploding cost of Medicare will swamp the federal budget."

Planned Parenthood Founder Margaret Sanger: "All of our problems are the result of overbreeding among the working class." "The most merciful thing that the large family does to

one of its infant members is to kill it."

U.S. Supreme Court Justice Ruth Bader Ginsburg: "Frankly I had thought that at the time Roe was decided, there was concern about population growth and particularly growth in populations that we don't want to have too many of." Salon columnist Mary Elizabeth Williams in an article entitled "So What If Abortion Ends Life?": "All life is not equal. That's a difficult thing for liberals like me to talk about, lest we wind up looking like death-panel-loving, kill-your-grandma-and-your-precious-baby storm troopers. Yet a fetus can be a human life without having the same rights as the woman in whose body it resides."

David Brower, the first Executive Director of the Sierra Club: "Childbearing [should be] a punishable crime against society, unless the parents hold a government license ... All potential parents [should be] required to use contraceptive chemicals, the government issuing antidotes to citizens chosen for childbearing." Prince Phillip, husband of Queen Elizabeth II and co-founder of the World Wildlife Fund: "In the event that I am reincarnated, I would like to return as a deadly virus, in order to contribute something to solve overpopulation."

I would like to quote Scrooge to these population controllers, "If they would rather people die, then let **them** so die and decrease the surplus population!" If they would just practice personally what they support the world would certainly be much better for it.

I am suspicious of many ideas eliminating the populations of

people. We go through life not knowing what is being done in secret corners of the government, but it is time we did, for example:

There is a rise in all kinds of diseases from the technologies called progress, like 5G: "EMF (electromagnetic fields) effects living organisms with increased cancer risk, cellular stress, increase in harmful free radicals, genetic damages, structural and functional changes of the reproductive system, learning and memory deficits, neurological disorders, and negative impacts on general well-being in humans. Damage goes well beyond the human race, as there is growing evidence of harmful effects to both plant and animal life."

## Where Are The Prophets?

The mark of a prophet is that their words come to pass. Prophets have been thought by many to be obsolete after the last word in Revelation, yet Revelation is still unfolding. Think about it.

David Wilkerson has prophesied many things that have come to pass, some still to be and another that was prophesied in 1989 is what we have been going through right now.

*"I see a plague coming on the world, and the bars, churches and government will shut down. The plague will hit New York City and shake it like it has never been shaken. The plague is going to force prayerless believers into radical prayer and into their Bibles, and repentance will be the cry from the man of God in the pulpit. And out of it will come a third Great Awakening that will sweep America and the world."*  
—David Wilkerson 1989

From 2007-2014 Kim Clement gave a series of prophecies about Trump before Trump was even thought of as a candidate. In those prophecies these points were spoken:

1. Donald Trump by name
2. his hot blooded nature
3. the mockery of mainstream media
4. Impeachment
5. Trump's desire to protect America
6. Trump's successful economy

The 7th has yet to come which is:

7. Trump's second term

Other words Clement spoke were:

*"He will throttle the enemies of Israel. This man will throttle the enemies of the west."*

*"This nation will come very subtly, but he shall not come in the time of President Obama. They shall come when this new one arises, my David that I have set aside for this nation. A man of prayer. A man of choice words...But God says, 'I have set him aside.' They shall shout impeach, impeach, but this shall not happen."*

*"Trump shall become a trumpet, says the Lord. Trump shall become a trumpet. I will raise up Trump to become a Trumpet and Bill Gates to open up the gate of a*

*financial realm for the church, says the Lord."*

*"For I shall fill him with my Spirit when he goes into the office and there will be a praying man in the highest seat in your land."*

Clement said an impeachment would happen twice to no avail. We have, as of this writing, only heard the threats of more impeachment trials.

Clement got to see the first prophecy fulfilled before he passed on Nov. 2016 just after Trump was elected. Clement also prophesied of Obama taking office, which came to pass. What was the media coverage of these words...O! What was the church coverage? Try .01 percent.

There are others who have heard from the Lord and are still hearing today.

**Rev 2:7 He that hath an ear, let him hear what the Spirit saith unto the churches;**

**Rev 2:11 He that hath an ear, let him hear what the Spirit saith unto the churches;**

**Rev 2:17 He that hath an ear, let him hear what the Spirit saith unto the churches;**

**Rev 2:29 He that hath an ear, let him hear what the Spirit saith unto the churches.**

**Rev 3:6 He that hath an ear, let him hear what the Spirit saith unto the churches.**

**Rev 3:13 He that hath an ear, let him hear what the Spirit saith unto the churches.**

**Rev 3:22 He that hath an ear, let him hear what the Spirit saith unto the churches.**

You do not have to be a prophet to hear God's voice. When all of this covid19 started, I asked the Lord how to pray and what to do, and He answered:

**Isa 26:20 Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.**

I have always had an open door for people to come and pray but getting this from the Lord had shut the door for a little moment. It does not stop prayer forever, for I opened back up. We still have communications in place and the indignation is passing. Yet, people are starting to get a clue and see that more than a health issue is the political one and how to take advantage of it.

This is a time to be spent in the Word, prayer and restoring relationships at home.

The world thinks you to be loony toons if you tell them that the Lord told you something. The worse thing to me is the church to deny the power of the Holy Spirit of God to communicate with us on a personal level...It is a shame. I have a personal Savior, a personal Holy Spirit and a personal God. They are in my everyday life just like breathing is everyday. God is watching over His Word to perform it as we pray His Word, Jesus is at the right hand of the Father interceding with us and for us and the Holy Spirit is comforting us, teaching us and guiding us. This is personal.

Here is a prophetic Word from the Word:

**Joel 2:28-31 And it shall come to pass afterward, that**

- ◇ **I will pour out my spirit upon all flesh;**
- ◇ **and your sons and your daughters shall prophesy,**
- ◇ **your old men shall dream dreams,**
- ◇ **your young men shall see visions:**
- ◇ **29 And also upon the servants and upon the handmaids in those days will I pour out my spirit.**
- ◇ **30 And I will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke.**

How far this Word reaches its generation is revealed in the following verse:

- ◇ **31 The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the LORD come.**

Jesus made it clear: **Luke 21:25-27 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; 26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. 27 And then shall they see the Son of man coming in a cloud with power and great glory.**

**HE THAT HATH AN EAR, LET HIM HEAR!**

## The Scrooge Philosophies *continued*

"Research also showed damage to DNA in both male and female lab animals. 5G, will employ millimeter waves, which are mostly absorbed within a few millimeters of human skin and in the surface layers of the cornea. Short-term exposure can have adverse physiological effects in the peripheral nervous system, the immune system and the cardiovascular system. The research suggests that long-term exposure may pose health risks to the skin (e.g., melanoma), the eyes (e.g., ocular melanoma) and the testes (e.g., sterility). There is considerable evidence about the harmful effects of 2G and 3G. Little is known the effects of exposure to 4G, a 10-year-old technology, because governments have been remiss in funding this research. Meanwhile, we are seeing increases in certain types of head and neck tumors in tumor registries, which may be at least partially attributable to the proliferation of cell phone radiation. These increases are consistent with results from case-control studies of tumor risk in heavy cell phone users."

Wuhon, China experimented with the first super tower 5G. Wuhon has been a petri-dish for experimenting with diseases and technologies. These days Wuhon has been a ghost town... go figure!

The reason I am writing this is that I hear people wonder why God took so and so with cancer or any other disease or malformation.

God created a beautiful earth and man created and creates the progress of death. Once man became god in the Eden he has created sorrow with every new idea building towers. Satan twisted the truth about man becoming as gods, just not GOD. Man being god simply means that he does what is right in his own eyes and man's eyes varies generally in enmity to the One True God! In other words, nothing to wonder anymore. It is just plain ol' sin, just

as God told Adam if he took a bite of forbidden fruit. Many innocent lives have passed through the sin of mankind creating death on such heightened scales.

Here is another fact: Chickenpox, Hepatitis-A and MMR vaccines are developed using aborted fetal cell line chromosomes namely the MRC-5 and WI-38, which have **never** been hidden from the public are at play in manipulation changes of male and female DNA chromosomes. These vaccines are being injected into our children. Also the vaccines for corona viruses use these chromosomes as well. What has this to do with anything? Case in point:

Chief Health Education Advisor  
Published on August 11, 2017  
"WI-38 is the cell lines from a FEMALE aborted fetus, used to cultivate viruses used in vaccines.

When you inject the DNA from a FEMALE (carrying two X chromosomes) into a MALE (who already carries one X chromosome and a weaker Y chromosome) you now have an overload of the X chromosome.

Now we have an onslaught of BOYS who think they should be GIRLS.

Do we have male DNA in vaccines? YES! MRC-5 is the code given to the fetal cell line also used to cultivate vaccine viral components, and it comes from a MALE aborted fetus. Do we have girls thinking they are boys? YES! Is it as prominent as boys wanting to be girls? NO! Why? Because girls have two dominant X chromosomes.

When they are injected with a vaccine containing MRC-5, they aren't just getting a Y chromosome, but yet another dominant X chromosome, on top of the two they already have. That's why you don't see as many girls wanting to be boys as you do the other way around.

You can find these chromosomes in the lungs of aborted fetuses of WI-38 from female chromosomes and MRC-5 from male chromosomes. It is bad

enough that they are using aborted babies to inject into our children but it also is changing the DNA patterns as well by mixing their genes."

(New Published Italian Study: MICRO and NANO-CONTAMINATION in VACCINES <https://steemit.com/.../new-published-italian-study-micro-and...>

Chemical Gender Manipulation: Turning boys into girls. Warning: This article is not politically correct <https://healthmasters.com/blog/chemical-gender-manipulation>)

Think how easy it is through these vaccines to eliminate the surplus population. Gender change as well as gay and lesbian relationships produce sterile same sex couples with a simple (mandatory) injection! Crafty, is it not?

What parent do you know who is not trusting enough to ask or understand if told what the vaccine could create? Even if a doctor could tell you that this injection has WI-38 or MRC-5, what does that mean to even the best of parents?

(Currently as I write this, Dems are trying to force use of human fetal chromosomes from aborted babies to give the MAGIC VACCINE for the covid19 virus. Will it be mandatory in most work places? So far Trump has trumped it, but there is an election coming up.)

We are a society of people trusting MAN SCIENCE and PHARMACUTICALS passing out a Kool-aid's destruction unbeknownst to regular every day YOU and ME! Then people say that is the way God created us. NO, that is the way Frankenstein is created by man to DECREASE THE SURPLUS POPULATION.

When I was a child I had all the childhood vaccines too, yet none of them contained aborted fetal chromosomes because abortion was called murder back when ALL LIFE MATTERED! Now abortion is big

business and plays right into the leftist agenda of population control.

What you may not know is this headline: **More than a dozen House Democrats on Monday called on the Trump administration to lift restrictions on research that already uses human fetal tissue to allow for studies on potential treatment for COVID-19 also.**

Is it any wonder they hate Trump...they want a New World Order and Trump just does not comply, so they use antonyms like racist, misogynistic and xenophobic etc. in mantras of lying hate speech to rally ignorant people into their Kool-Aid!

Like it or not, you will find that it is the liberal left democrats that are into all of this population control and manipulating the genes of our children. They do not count the cost of what this is doing to our nation and WE THE PEOPLE! Yet the same people who cry out Black Lives Matter abort their black babies as if removing a wart off their big toe. They are certainly not even for black life, white life or life in general, just another type of slavery to get their votes. It is outrageous and yes, I am outraged!

People, People, we have a real enemy just like in the bible days of elimination, which is why Moses was hidden in a basket and Rachel wept for her children etc.. We dumbly follow the Pied Piper over the cliffs.

I am trying to be a voice no matter how small I am. We all need to be current with God or we just die and wonder WHY!!! It is NOT by God...the sin of man reaping the curse of his own actions at the expense of his own children...THAT IS WHY.

You matter...Have a voice...Take a stand...Vote a conscience...Use it or we all lose it!!!

## 2 Cor 11:14...Satan himself is transformed into an angel of light.

Many have heard the “conspiracy theory” of an elite group of nameless entities called the Illuminati. I remember hearing about them imbedding themselves in all areas of leadership and governments rather like the hidden mystic behind the Masons. It has all been a jumble of unfounded notions and rumors still vague and hidden. Every thought of world dominance or control casts its shadow toward the Illuminati. What is real about this...anything? Is there any truth to its existence or are we just rumoring an old urban legend of horrific stories as though true alleging to involve something vaguely related from another unknown source? And then one day, after Illuminati has turned into just another byword for “they say” and we never know the “they” who say, we find the substance of them is real and in existence.

I was not looking for the Illuminati, yet since the word resurrected once again, I thought to get to the bottom of it and see if anything actually materialized or put the legend to rest finally. I was surprised to find them advertised and screen shot this from their website.

They talk about the “human species” as if they are speaking with and from a superior planet and specie out of this world but familiar with humankind. They open this video with:

*“Fear not for your war stricken, poverty ridden planet...You’re safe...Help is on the way. Your prosperity is the core of our objective of our universal desire. The path for humanity has been throughout ages to insure the survival and prosperity of the human species. War is a liar who claims there isn’t enough land, isn’t enough wealth, isn’t enough food for people in all places to live in abundance. A different age is*

*upon us. Fear not for the bursting sounds that grow across your red horizons. Prepare your life for the light that grows steadily in the distance. As the dawn comes to rid your battlefields of darkness the age of illuminatiam will begin. Fear nothing. We are always watching out for you. To find more about us and the universal design visit ILLUMINATI.AM.”*

**Do they give their names? NO! Did you get the play on their website emblem to God’s I AM? Theirs is Illuminati.AM. I-Illuminati-AM**

They hint at being a superior race behind the scenes ready to step in before we annihilate the planet. Look how they distinguish themselves outside of the human species in statements:

**“But by nature, the human is affected by instinct, emotion, and imbalance.**

*A human will turn on one of its own species for reasons that will never matter in a thousand years, and likely not matter in even a hundred or ten. While you have seen the Light in the distance and chosen to follow it – even if from mere curiosity – there are millions more whose backs are turned against its glow. The Illuminati operates various departments and programs for the benefit of all people, in all places, from all generations. By protecting the interests of humanity as a whole, our organization has ensured the ongoing dominance of the human species over every other creature and predator on this planet.”*

**“The Illuminati’s purpose is to secure the ongoing survival of the human species. Like all organisms, the human species naturally strives against extinction. Though your countries have borders and**

*your languages have barriers, all people in all places are members of the same biological family. All humans are pieces of a collective that keeps humanity in existence.*

*Though you are merely a speck on the back of a grain of sand when compared to the vast number of humans born and decomposed for millennia, you are as important to your species’ survival as the greatest kings and queens.”*

Notice that they say they are not a religion and then say they are: **“The Illuminati has no belief but the sovereignty of the human species.**

**The Illuminati is not a church, religion, political group, or charity organization, but an elite collective of global influencers who work to further the interests of the human species as a whole. Our decisions are independent of all human divisions, including religious and political differences. We operate solely for the benefit of the human species we have been entrusted to protect, and therefore make no demands of our citizens regarding personal worship, morality, or belief.”**

**“The deepest doubt builds the strongest faith. The Illuminati’s religious foundation is based upon this universal conundrum of faith and doubt. We do not question whether a god does or does not exist, but rather focus on the betterment of the human people living on this planet. Our decisions are made by the study of data and evidence – factors that can be easily altered by an omniscient creature in order to guide our actions and the future of mankind.”**

**“Fear not for the future of this planet’s most resilient species. Though the portraits inside the palaces may change, and the names on the maps may be altered, humanity’s clock will continue uninterrupted. When the winds of change threaten to push you off your feet, find refuge in the shelter of the pyramid.”**

They have resources and I clicked on that to see what they had...voila!!! People, ya can’t

make this stuff up!!! Here are two of their books:

II-Illuminatiam The First Testament

and the book called The Mark!! Are you kidding me!?

**Illuminati is often used in reference to a New World Order (NWO)**

They are said to be working behind all governments and pulling the strings of all elections. If that is true then it’s no wonder they whacked out because God put Trump in office and showed Himself as the Greater I AM.

What does all this mean? You know as much as I do. I copied their statements. If you know the Word of God you can see the anti-Christ spirit in it. Our shelter is in God not some pyramid. They hint to the pyramids being from them and is their sign but God created the universe they live in no matter who they are.

Will they surface to “heal” our planet? Will people be grateful and join them? Will they profess that they have been God watching our specie all along? They sure do hint at that.

Jesus said to watch and I am. I neither made up the words in Revelation nor did I make up the Illuminati, but I hold with one Truth in the Word of God and if you do not know it...Now is here!

## When Death Dies

**Rev 21:3-5** *And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God. 4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. 5 And he that sat upon the throne said, Behold, I make all things new.*

**Rev 22:3-5** *And there shall be no more curse: but the throne of God and of the Lamb shall be in it; and his servants shall serve him: 4 And they shall see his face; and his name shall be in their foreheads. 5 And there shall be no night there; and they need no candle, neither light of the sun; for the Lord God giveth them light: and they shall reign for ever and ever.*

This is when death finally dies and along with death dies diseases, wars, deformities, lameness, deafness, blindness, allergies, cancers, oppression, depression, anxiety, fear, foreboding, worry, grieving, sorrows, regrets, nightmares, hurts, wounds, lies, misunderstandings, divorces, cheating, thieving, murders, idolatries, abortions, religions, terrorisms, trepidations, seizures, addictions, isolations, starvation, droughts, famines, pestilences, earthquakes, tornadoes, tsunamis, hurricanes, mental diseases, delusions, greed, envying, dishonor, disrespect, murders, complainings, gossips, backbiting, adulteries, abominations, cults, artificials, tears, hunger, thirst, mockeries, medications, sorceries, witchcrafts, demons, dictators, antichrists, and infirmities to name a few!

There is an appointed ending of all hurts and sorrows. Temptations will be no more along

with the tempter. No more diets to count calories, fats or carbs!!

The start of many reunions of families and friends and feasting at God's table. All questions will be answered as fast as can be thought to ask.

You and I will be the best of who God created us to be without blemish. We will keep all the good things about us, which makes us unique.

What a day...a day that is without end and forever!

**1 Cor 2:7-9** *But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory: 8 Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory. 9 But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which*

**God hath prepared for them that love him.**

We will not be angels but will see them and the different types of heavenly beings. As for us, we will be sons and daughters of God. We will share in the mysteries of God as they continue.

It is beyond our understanding how God is forever creating without an end. Will He show us each new creation like He did with Adam in the garden? What other earths are in His different solar systems that have populations that are not in His image as we are but different and amazingly made as well? Were they made from their earth too and did He breathe His DNA into their nostrils? Do they conceive and give birth?

I have so many questions to be answered and it just might take an eternity to answer them all, when death dies.

## Unusual Patents

A patent is defined: a government grant to an inventor assuring him the sole right to make, use, and sell his invention.

Here are some actual patents: **"AIDS US-Patent 5676977"**

**"H1N1 US-Patent 8835624"**

**"Swine Flu US-Patent CA2741523"**

**"ZIKA ATTC VR-84 (Rockefeller Foundation)"**

**"SARS US-Patent 7897744 & 8506968"**

**"CORONAVIRUS US-Patent 10130701"**

**"Ebola US-Patent 20120251502"**

*"You can't patent a disease con-*

*dition per se, such as cancer or influenza,"* David Schwartz, a patent lawyer and partner at the Canadian intellectual property firm Smart & Biggar. *"But if you're talking about patenting a lifeform like a bacteria or virus, if altered by man, the answer there is yes. You can't patent something that is naturally occurring, but if an organism is modified in some way, it is patentable."*

One of the most famous cases of biological patenting is the so-called "Harvard mouse", a type of laboratory mouse genetically modified by scientists at Harvard University to carry an "oncogene", which makes the animal susceptible to cancer. It was patented in the United States. *"Ninety-nine point nine per cent of the mouse is God's creation, but in its totality, as you would claim it as the*

*subject for a patent, it's a non-naturally occurring, man-made thing,"* says Schwartz.

*"Making deals between scientists because they want to take [intellectual property], because they want to be the world's first to publish in scientific journals, these are issues we need to address,"* WHO Director General Margaret Chan stressing that countries need to share information on the novel coronavirus.

*"Profit is what underlies the whole patent system,"* says Bernard Dicken

Not a lot is known about the Wuhan Institute of Virology, Chinese Academy of Sciences, but it has been the subject of

intense scrutiny. Most recently, it's been accused of not following strict safety protocols. Its dangerous research on bats and coronaviruses have also come into question.

Foreign affairs expert Gordon Chang said in a recent opinion piece on Fox News that *"many Chinese believe the virus either was deliberately released or accidentally escaped from the Wuhan Institute of Virology, a P4-level bio-safety facility."*

Whatever country patents a disease has the rights to profit from it. If you read my first article, that could mean anything...like decreasing the population, which it did do and still is. There are some liberals that might applaud China or is enlist a more appropriate word?
